Campus-49

USMAN PUBLIC  
SCHOOL SYSTEM

# THE PRINCIPAL'S DESK

**Dear Students,**

**Assalam u alaikum,**

I am honored and profoundly privileged to be the head of this prestigious school campus that nurtures the students as future scholars and focus on the holistic development of students. We involve them in scholastic and co-scholastic activities so that children realize, understand, and explore their talents. We inculcate the skills of the future along with the best values in our practices and pedagogy.

The piece of work presented in this magazine in different sections gives a sense of pride that our students possess creative potential and presentation skills. Each piece is interesting, absorbing, and entertaining and reflects their learning. Students have displayed their work so everyone can live and enjoy those events.

I applaud the students and their teachers for their stimulated thoughts and efforts for such masterpieces to share with you all. I look forward to this newsletter, which will develop reading among the students and motivate them to keep creating exemplary work in the future.

JazakAllah

## MY FRIEND

I love being your friend,  
You will forever be my friend.  
I want to hang out with you,  
hold your hand to the end,  
You make every moment of life  
Worth smiling back at with my heart,  
Now I pray that no matter how hard,  
May we never be apart?

When I look at you, I see myself,  
It's weird, but it's true  
I thought I was crazy until I met you  
you made everyone else seem insane,  
You understand and know what I feel  
Before I can say it and not be lazy

What manner of love I have  
Found in a friend like you,  
Knowing you are here  
makes every situation easy to handle,  
Even in the storm, our boat still moves  
You alone can paddle it far away

All I am trying to say that's  
Your friendship is love  
I wish never to lose

**Meerab Qamar (Class:VII)**

## THE MEMORABLE DAY OF MY LIFE

"Stop it", I screamed at my brother, who was taking out all my stuff from my suitcase, which I had just packed for a trip to Lahore.

Finally, I was going somewhere out of Karachi, as I was 11 years old. In these 11 years, I had never gone out of Karachi. My mischievous brother was messing around: throwing all my stuff everywhere. It was too frustrating to catch him.

I was going to my grandfather, my aunt, and my cute little cousin. I was not going with my parents. Guess what? Although I was all contented about it.

Our flight was at 11:45 am, so we took off at 10:00 am. This was the start of my memorable journey to Lahore. As the airplane was going into the air up in the blue, shining sky, my little cousin started weeping, it was the worst part. She cried during the whole 4-hour flight! But still, I tried to enjoy the flight. In Lahore, one of my aunts and cousins lives. They are my favorite. Whenever they paid a visit to Karachi, we enjoyed it a lot. We played together, ate together, and even slept together.

When we reached Lahore airport, my uncle was excited to see us and came to receive us. My cousins did not know that I was coming too. They thought that only my aunt and grandfather were coming. So all of us were thrilled to surprise them. When we reached their home, they were busy playing in the backyard. As I stood there, they did not believe their eyes or react. Then they eventually came and hugged me tight. After getting refreshed, we had dinner and talked what we would do together. I was delighted to be with them. Soon we went to sleep. The next day we all decided to visit a few places like Badshahi Mosque, Minar-e-Pakistan, e.t.c. We had the best times until it was finally time to say goodbye.

It was the most amazing journey I have ever had. I learned a lot on this journey. We should go on vacation for at least once a year for adventure because it makes our minds fresh and relaxed.

**Zainab Ahmed (Class: VII)**

## MY SCHOOL

My school is where I go each day,  
To learn and grow and find the right way.  
I read and write and do my best,  
And with my friends, we take all tests.

We learn science, history, and arts,  
And how to share and play our part.  
We make new friends and memories too,  
And learn to be kind in all that we do.

So, let's enjoy each day we spend,  
In our school with teachers and friends.  
And when we leave and say goodbye,  
We'll take the things we've learned,  
Way high up in the sky.

**AYESHA IFTIKHAR (Class VI)**

## Do You know?

- Do you know the least used Letter Is Q?
- Do you know a cat has 32 muscles in each ear?
- Do you know the average person spend 25 years asleep?
- The shortest war in history was between Britain and Zanzibar in 1896, which lasted only 38 minutes.
- The world's largest snowflake on record measured 15 inches wide and 8 inches thick.
- The tallest mountain in our solar system is Olympus Mons on Mars. It's over three times taller than Mount Everest!
- A single strand of spaghetti is called a "spaghetto."
- The shortest full sentence in the English language is "I am."
- There is a species of jellyfish that is biologically immortal, meaning it can potentially live forever.

- Kangaroos can't walk backwards.
- The Great Barrier Reef in Australia is the world's largest coral reef system.
- The tongue is the strongest muscle in the human body relative to its size.
- The oldest known musical instrument is a bone flute that is over 40,000 years old.

**AYESHA IFTIKHAR (Class VI)**

## Why should we read daily?

Daily reading is one of the best habits. It develops our vocabulary and our imagination. Reading books means "Good Use of your Time". It is the perfect way to learn something and gain knowledge. Books are your best companions. It gives a whole new experience. It stretches our brain muscles for healthy functioning. It plays a vital role in our life. Friendship with good books makes you a good person.

Reading good books can keep you inform and lead you to the right path. It also improves our memory. It reduces stress and increases our mental power as well as knowledge. Reading books increase our focus in life. It stimulates our brain muscles and keeps our brain healthy and strong. Reading good books guides us to lead our futures with confidence.

## A Memorable Day Of My Life

Allah (SWT) has blessed us with a life full of memories, events, moments, and experiences. Some memories in life are good, and some are bad. Everyone has a special memory that they never forget.

The most memorable day of my life was our trip to Swat. We went to a beautiful hill station. It was a family vacation that we enjoyed a lot. It started on a breezy Sunday morning. We boarded the train and went through these lush green lands, intriguing tunnels, and beautiful hillsides.

The next day we arrived in Swat and took a cab to our hotel. The day started with a blissful morning as we witnessed the beautiful sunshine touching the peaks of hills and mountains. After breakfast, we began the day with a visit to the nearby lake. It was a visual delight. We were so excited that we headed for boating in the lake. The water was as cold as a glacier. We could see many a flock of ducks swimming together in the water.

The trip was so wonderful and adventurous that it could not simply describe in words. It was one of the most memorable days of my life.

## New Friends

Remember the race of the rabbit and tortoise? Later that day, the rabbit realized his mistake and became friends with the tortoise. They shared secrets and often walked with each other. All the animals thought it was strange, as they had been bitter enemies in the past.

One day, a monkey, the judge in the jungle, decided to test their friendship. He asked them to race once again. Rabbit and tortoise agreed happily. The next day both the fiends were standing in the race.

As the monkey whistled, the race started. It was when the story took a twist. The rabbit still had bitter feelings for the tortoise. He was trying to be friendly for the sake of his reputation. He wanted to win and was jealous of the tortoise. The tortoise thought that rabbit was still his friend, so he would again take a nap for the sake of their friendship.

When the race started, the rabbit ran very fast, and he looked behind him to see the progress of the tortoise and was satisfied to see him far away. He again pretended to nap under a tree. So, the tortoise would think that the rabbit was doing this for him. But the rabbit went to a deep sleep while pretending.

Eventually, the race ended, and the tortoise won again, reaching the finishing line earlier than the rabbit. When the rabbit woke up, it felt embarrassed to see the tortoise rejoicing about its success. The tortoise was innocent, so he continued thinking that the rabbit was his friend who got defeated by him.

## Qualities of a Good Muslim

He is pious.

He offers prayer regularly on time.

He strives for Jihad.

He is honest, truthful and humble.

He is a fair and just in his dealings.

He shows gratitude for the blessings and bounties of Allah (SWT).

He is generous and kindhearted.

Never causes harm to any creature of Allah (SWT).

Believes in Allah's mercy and fears his displeasure.

Gives charity.

We are the building blocks of our religion. As a Muslim student, I must strive to protect and nurture my faith so that I would be the role model and would spread the word of Allah (SWT) everywhere.

**Zunaira Fatima (Class V-B)**

## **MY FAVOURITE PERSONALITY**

The great scholar and military general in the history of Islam, the one known as Sayfullah, means the drawn sword of God, the brave and brazen more solid who feared no one but God, as my favorite personality is HAZRAT KHALID BIN AL WALID R.A .

Hazrat Khalid-bin-Walid lived fierce life between 592 and 642 AD. He was born in Makkah, Saudia Arabia; his father was Al Waleed. He was a wealthy chief of one of the villages of Makkah and a trader of the Bani Makhzum clan; it was among the noblest and leading tribe clan of the Quraish. The tribe clan was in charge of war and the training of horses. Hazrat Khalid-bin-Walid R.A was taken to a foster mother in the desert so that he would grow up strong and healthy. She took care of him till he was 5 and 6 years then he was returned to his parents. His father took great pride in his family, taught his son the same. Hazrat Khalid-bin-Walid R.A trained furiously at a young age and became an expert swordsman and horseman. He was obsessed with war, when he reached maturity and learned every art of fighting. He was among the best warriors in his tube and the whole Arab.

He was as one of the bravest and most successful military commanders.

He gained experience through many years of war by commanding the military forces of PROPHET MUHAMMAD S.A.W, to the Rashidun Caliphate, Hazrat Abu Bakr, and Hazrat Umer Farooq R.A He always got successful in his battles and wars due to his expertise and proficient tactics in the battle fields, he inherited this from his forefathers. He was ingenious in this field.

Hazrat Khalid-bin-Walid R.A accepted Islam after the treaty of Hudaibiya at around 627. He fought his first battle as a Muslim and was one of the generals in an expedition against the Ghassanite prince who had murdered Muslim enemies. The army force of thirty thousand was commanded by Hazrat Zaid R.A. When Romans and Arabs had joined forces against the Muslims, and Hazart Zaid R.A got martyred alongside Jafar. Hazrat Khalid-bin-Walid R.A took command and broke nine swords while he fought relentlessly and courageously. ALLAH knows how many unbelievers Khalid R.A wounded and killed while breaking nine sword. After the parties returned to their encampment at dark, Hazrat Khalid-bin-Walid R.A positioned his army in such a way that they looked greater in number. It had created fear into the enemy's heart and fool them into thinking that they had gotten reinforcement overnight. The enemy soldiers were scared and worried when they saw the army and ordered army to attack at once.

Their powerful attack scattered the enemy army, and the magnificent army had to run away, that was the biggest defeat for them.

The Prophet S.A.W sent him on many expeditions, including the destruction of the pagan. He went to Yemen to the Banu-al- Harithrlbr to call them to Islam. One of his bravest acts was in the conquest of Mecca at around 630.

The battle with these people was a challenge for Hazrat Khalid-bin-Walid R.A, but he succeeded once again, and there was another victory for him. Hazrat Khalid-bin-Walid R.A later succeeded in many other great expeditions like the battle of Yamaha, around the Muslim world, the invasion of Iraq through the dashing of Persia, and the consequence of Hira. He fought many other battles, such as, the river battle and that of Wajala. He was also congratulated by Hazrat abu Bakar R.A for his success, and was later allowed to Byzantine in Syria where he was supposed to instruct the Islamic armies.

Hazrat Khalid bin Walid is one of the greatest, strategical, respected, and honored Islamic expansionists. He was believed to be a prominent assistant of the Prophet Muhammad S.A.W.

# Riddles

- Q. Why did the Math book look so sad?  
 Ans. Because it had so many problems
- Q. What is the king of the pencil case?  
 Ans. The ruler
- Q. What is the shortest month?  
 Ans. May. (It has only three letters)
- Q. How can you make seven even?  
 Ans. Take away the "S".
- Q. Which school subject is a witch good at?  
 Ans. Spelling

**Sanaya Naveed (Class V- A)**

# Making a Mini Tornado

Things required:

Water

Clear plastic

Bottle with a cap that wouldn't leak

Glitter

Dish washing liquid

**Steps to be taken:**

- i. Fill the plastic bottle with water until it reaches around three quarters
- ii. Add a few drops of dish washing liquid
- iii. Sprinkle some glitter.
- iv. Put the cap on tightly
- v. Turn the bottle upside down
- vi. Quickly spin the bottle in circular motion.
- vii. Now you can stop and see the mini tornado forming in the water.
- viii. Try it a few times so that you see the tornado working properly.

## ڈھولو بھولو کو ملی سزا

ایک دفعہ کا ذکر ہے دوستو! شہر سے دور ایک گہرا گھنا جنگل تھا۔ جہاں بہت سارے جانور مزے سے مل جُل کر رہتے تھے۔ اسی جنگل میں دو شرارتی بندر ڈھولو بھولو بھی رہتے تھے۔ ڈھولو بھولو نہ صرف ہر وقت کسی نہ کسی کو تنگ کرتے رہتے بلکہ کسی کو تکلیف دے کر اس کا مذاق اڑانے سے بھی گریز نہیں کرتے تھے۔ ان کی شرارتوں سے جنگل کے تمام جانور پناہ مانگتے تھے جبکہ ننھے جانور ان کو دیکھ کر چھپ کر چھپ جاتا کرتے تھے۔

ایک سہانی صبح ٹیلو بکری اپنے میمنوں کے لیے چارہ لینے کی غرض سے نکلی۔ چارہ لیے واپسی کے راستے پر اسے تھکن کا احساس ہوا، کچھ لمحے سستانے کی غرض سے وہ درخت کے سائے تلے بیٹھ گئی مگر زیادہ وقت نہ گزرا اور اس کی آنکھ لگ گئی، تھوڑی دیر بعد جب وہ جاگی تو دیکھا کہ چارہ تو وہاں موجود ہی نہیں۔ اب ٹیلو بکری میمنوں کی بھوک کا سوچ کر فکر مند ہوئی۔ اس نے آس پاس چارہ تلاش کیا مگر کچھ حاصل نہ ہوا۔ آخر کار وہ اپنی پریشانی لے کر شیر بادشاہ کے پاس گئی اور اسے اپنی فکر سے آگاہ کیا۔

شیر بادشاہ نے فوراً لومڑی وزیر کو بلا یا اور چارے کی تلاش کا حکم دیا۔ لومڑی وزیر یہ معاملہ سنتے ہی سمجھ گئی کہ ہونہ ہو یہ شرارت ضرور ڈھولو اور بھولو ہی کی ہوگی۔ اس نے اپنی مدد کے لیے شاہی چیل کو بلا یا اور شاہی چیل کو پورے جنگل کا چکر لگانے کا کہا۔ شاہی چیل جنگ کا چکر لگاتے ہوئے جیسے ہی دریا کے پاس پہنچی تو اس کی نظر ڈھولو بھولو پر پڑی اس نے دیکھا دریا کے پاس وہ دونوں چارہ پھیلائے اس پر اچھل کود کر رہے ہیں اور ایک دوسرے پر چارہ اچھال کر خوش ہو رہے ہیں۔ چیل نے اس بات کی اطلاع لومڑی وزیر کو دی جس نے ڈھولو بھولو کو پکڑ کر شیر بادشاہ کے سامنے پیش کیا۔

شیر بادشاہ ڈھولو بھولو کی اس حرکت پر بہت ناراض ہوا اور سزا کے طور پر ان دونوں سے سارے جنگل کی صفائی کروائی اور ساتھ ہی بکری سے نہ صرف معافی منگوائی بلکہ تازہ چارہ لانے کا بھی حکم دیا۔ اس طرح دوستو! ٹیلو بکری کو انصاف بھی ملا اور ڈھولو بھولو کو ان کی شرارت پر سزا بھی ملی۔
