POEM "IN THE NAME OF ALLAH"

 We seek Allah's protection, From Satan's evil mind, And being with the name of Allah! The most merciful and the most kind!

- Allah is great this is what I know, For the Quran tell me so, All of us to Him belong, We are weak but He is strong,
- He made our Earth to live, He gives us fruits and vegetables to eat, And made the sky like a shade, The moon, Sun, and stars that give us light,

 Start your day with the name of Allah, Please Allah by doing good deeds, Be grateful to Him for all His blessings, End your day by thanking Him.

Wake up! Wake Up! Go to school,

> Wash up! Wash up! Your face and teeth.

Take up! Take up! Your breakfast and lunch,

> Hurry up! Hurry up! Dress up for school

Walk and walk, To reach the school.

There are four seasons in the world At every place, to rejoice every bird They are Summer, Autumn, Winter, and Spring

Summers are very tough and hot In Summer there can be a long drought In Autumn there are cool breezes In this season people get diseases

Winters are very cold And you all must be bold And now finally, Spring is left In this season, Birds chirp in their nests

These are four seasons That repeats every year Would you like to have a fresh pear?

Hurry up! Hurry up! Finish your dinner, When you finish your dinner, As I got off the bus you're a winner,

The night is scary, you are a fairy. The day is over and you have done your best, Now it's time for you to rest,

Sleep well at night, Don't forget to turn off the light.

EVENT STORY "BOOK FAIR

Usman Public School System is an institution that conducts many activities for the entertainment and improvement of children, among these activities is Book Fair. Yes, Book Fair is conducted by 2 or 3% of schools out of 100%, and Usman Public School is among that 2 or 3 % of schools that conduct a Book Fair every year.

After Eid ul Fitr, I and my friends collected a lot of Eidi but we could not understand where to spend it. Once it was announced on our campus that our school will organize a Book Fair, we were very glad to know that we will have an opportunity to spend our Eidi in the best place.

Nazma Karachi Amsa Safeer was our Chief Guest and inaugurated the Book Fair which was decorated with great efforts by our teachers. Books for children and mothers were available at this book fair. There were different kinds of books like writing practice, reading practice, puzzle and colouring practice books for youngers, Sahabiyyah, stories

of Sahaba, reading comprehension, word search for those students who read in class 3 onwards, and for mothers there were books like Adab e Zindagi, Muhammad e Arabi, and Guldasta e Hadith, etc.

The Book Fair was so tremendous that no one could stop buying books. All the children and mothers who came to the fair bought and mothers were very glad and gave appreciative feedback to the school about Book Fair.

I hope that next time the Book Fair will be arranged like this and we again get a chance to increase the number of books in our library because it also helps us to take interest in reading as reading is beneficial for improving reading and writing skills both.

STORY OF A LITTLE GIRL

Once upon a time, there was a girl whose name was Sara. Sara didn't like to brush her teeth, because of the coldness of the water. One day her mother said, "Sara! wake up and brush your teeth". Sara woke up and when she was going to brush her teeth and touched the water, she felt that the water is very cold. So, she hadn't brushed her teeth and went outside to play with her friends.

While she was playing, Sara said something to her friend and her friend said, "Oh Sara, your mouth is smelling like you don't brush your teeth regularly, because it's smelling very bad". Her friend said that they won't play with her anymore. Sara became very sad and went to her house. When her mother saw Sara, she asked Sara what happened to you why are you sad. Then Sara told the whole story to her mother. Her mother said," Don't be sad Sara, it is your mistake that you didn't brush your teeth and you know that cleanliness is the half of Iman, and when you do not keep yourself clean, people start keeping distance from you. And when we don't brush our teeth for a longer period over tooth starts decaying and we won't be longer able to eat anything. Go and brush your teeth and also make a promise that you won't miss any day when you don't brush your teeth.

Finally, Sara went to brush her teeth and when she started brushing her teeth twice a day there were no bad smells. Sara was glad that her friends again started playing with her. Moral: We should brush our teeth daily.

A MEMORABLE JOURNEY

The first time I went to Shamsi Farmhouse with my schoolmates after switching school. It was a pleasant day; all students reached school at about 8:15 am. We waited until all students arrived. At last, at 8:30 am, we got into the bus and our journey towards the farmhouse has begun. All the students were very happy. It took so much time to reach because of distance and traffic. At about 10:00 am we finally reached there. The farmhouse was quite big and beautiful. We were divided into different rooms. All of us were very tired so we lay down as we saw the bed. After that, we all changed our clothes and came to the main hall for the session.

After the recitation, the teacher shared the rules with us and then we were allowed to go to the swimming pool. Then we rushed towards the pool, we started splashing water and some of us were enjoying the water slide. Later we had our lunch break as we were very starving. After having a lunch break, we again started playing in the water until 5:00 pm. The time passed so fast and it was time to go back to our home so we all changed our wet clothes, sat on the bus, and left for school. We got a bit late because of traffic as it was office timing as well. Most of the students slept on the way. When we reached school, my father was already there and waiting for me. So, I briskly went to my father and reached home safely.

Alhamdullilah! it was a nice picnic as we enjoyed a lot together. I want to thank the management for this trip. Hope I will again be able to go on such amazing trips again.

MY TDF JOURNEY

It was a pleasure morning for the students of Class III girls. Because we were going to an exciting trip and that place was TDF MagnifiScience Centre. We all reached school on time. After sometime, bus came and we boarded on it and our journey towards our destination has started. Just went a little farther the bus stopped due to some mechanical issue, seeing this everyone became agitated. But soon another vehicle was arranged; we briskly sat on it and finally reached TDF.

Everyone was very happy to reach there. As food was not allowed there so, we had breakfast in the bus. Then, we made a line and entered the museum. The museum was very beautiful and interesting. First, at the assembly area the Director told us the rules and regulations of TDF then allowed us to enter the museum and explore things. There we saw our skeleton and there was a big heart at the centre of the museum that was pumping constantly. When we went a little farther, an ambulance was standing there with a dummy patient in it. There was a lot of doctor's equipment and a huge mouth with teeth inside. There was also anti-gravity room, water cycle, mirror maze and many more creative things. We have enjoyed a lot and learned new things. I will always remember this day.

یہ کہانی سن 2011ء کی ہے جب میرے چاچو پورے خاندان کو فارم ہاؤس لے کر گئے۔ اس وقت میں اور میر ی بہن بہت چھوٹی تھیں۔ ہم سب بہت خوش اور پر جوش تھے۔ صبح سویرے جب ہم فارم ہاؤس پنچ تو میر ی چھوٹی بہن نے تو بستر کپڑ لیا بہت کو شش کے ہاوجود بھی اس نے بستر کو خیر باد نا کہا آخر کا رتھک ہار کر ہم تمام کزنز نے فٹ بال کھیلنے کا فیصلہ کیا ابھی ہم کھیل میں مگن ہی تھے کہ اچانک میرے چاچو آگئے۔

اور انہوں نے فٹ بال لیا اور اس پر سر رکھ کر سو گئے اور ہم سب ایک دوسرے کا منہ دیکھتے رہ گئے۔خیر کچھ ہی دیر بعد سب نے نے کھانا کھایا اور سوئمنگ پول میں چلے گئے۔ ہم دونوں بہنیں پول میں جانے سے ڈر رہی تھیں ۔اتنے میں میرے ابو جو کہ آفس سے واپلی پر تھوڑی دیر پہلے ہی فارم ہاؤس پنچ تھے ہمارے پاس آگئے اور مجھ پول میں لے گئے لیکن میری بہن ابو کے بہت اصرار کے باوجود بھی پول میں نہیں گئی ۔ جھے پول میں جا کر بہت مزا آیا اور سارا ڈر رفو چکر ہو گیا ۔شام کے وقت ہم پول سے باہر آئے شام کی چائے اور اس کے ساتھ کے لوازمات سے لطف اندوز ہو کر گھر کی طرف روائگی کی تیاریاں کرنے لگے ۔فارم ہاؤس کی اس پہلی پخک کو میں جب یاد کرتی ہو ں تو میرے ہونٹوں پر مسکراہٹ دوڑ جاتی ہے، اب محصے پول میں جانے بالکل ڈر لگا۔
