## **A Message from the Principal-20 Embracing Growth and Unity**

Dear Parents, Guardians, and Beloved Students,  
As-salamu alaykum wa rahmatullahi wa barakatuhu,  
It is with great pleasure and gratitude that I extend my warmest greetings to each member of our esteemed Campus-20 community as we reflect on the accomplishments and growth of the past year and look forward with hope and determination to the opportunities that lie ahead.

The session 2023-24 has been marked by resilience, perseverance, and a steadfast commitment to our shared values of faith, knowledge, and compassion. Despite the challenges posed by the ongoing uncertainties, our students, teachers, and staff have demonstrated remarkable adaptability and dedication to their academic and spiritual pursuits.

At UPSS, we believe in nurturing not only the minds but also the hearts of our students. Our curriculum, rooted in Islamic principles and teachings, serves as a guiding light, empowering our young learners to navigate the complexities of the modern world with wisdom, integrity, and empathy. Through a holistic approach to education, we strive to instill in our students a deep sense of purpose and a profound understanding of their roles as leaders of Ummah and ambassadors of peace.

As we celebrate our achievements and milestones, let us also reaffirm our commitment to fostering a culture of inclusivity and mutual respect within our school community. Now, more than ever, it is imperative that we stand together in solidarity, embracing our differences as sources of strength and enrichment.

By cultivating an environment of understanding, we can create a brighter, more harmonious future for generations to come.

As we embark on the journey ahead, let us remember the words of the Prophet Muhammad (peace be upon him): "The best among you are those who have the best manners and character." May we continue to strive for excellence in both our academic pursuits and our conduct, embodying the values of compassion, humility, and integrity in all that we do.

In closing, I extend my heartfelt gratitude to our dedicated teachers, staff, parents, and students for their unwavering support and commitment to our shared mission. Together, let us continue to inspire, empower, and uplift one another, forging ahead with optimism, determination, and faith in Allah's infinite mercy and guidance.

Wishing you all continued success, happiness, and blessings in the year ahead.

Ameen

## Message from the Co-ordinator Senior III-V

محترم والدین اور عزیز طالبات،

السلام علیکم ورحمۃ اللہ وبرکاتہ،

آپ ﷺ کا فرمان ہے کہ "مجھے معلم بنا کر بھیجا گیا ہے"۔ آپ ﷺ نے کتاب و حکمت اور تعلیم و تدریس کے ذریعے سے انقلاب برپا کر دیا صحابہ کرام کی تربیت کی اور صحابہ کرام اساتذہ اور معلمین بن کر اٹھے اور پوری دنیا میں اللہ کی کتاب کی تعلیم جاری فرمائی۔

تعلیمی ادارے تعلیم و تربیت کے مراکز ہوتے ہیں۔ عثمان پبلک اسکول سسٹم بھی اپنی اس ذمہ داری کو فرض سمجھتے ہوئے اس فرض کی انجام دہی کے لیے برسرِ پیکار ہے۔ نصابی اور غیر نصابی سرگرمیوں میں طلبہ و طالبات میں اسلامی نظریہ پروان چڑھانے کے لیے ہر ممکن تدابیر اختیار کرتا ہے تاکہ ایسی نسل پروان چڑھے جو نظریہ اسلام اور پاکستان کے سپاہی اور محافظ کا کردار ادا کرے۔

موجودہ حالات کے تناظر میں اساتذہ کا کردار دوچند ہو جاتا ہے کیونکہ اساتذہ کسی قوم کی عمدہ اقدار تہذیب و تمدن اور روایات کے امین اور نگہبان ہوتے ہیں۔ اس حقیقت کو پیش نظر رکھتے ہوئے عثمان پبلک اسکول سسٹم اپنے طلبہ و طالبات میں مثبت رجحانات اور رویوں کو فروغ دینے کے لیے اسکول اور کمرہ جماعت کی سطح پر سرگرمیوں کا انعقاد کرتا ہے۔ تعلیمی عمل کا مقصد نئی نسلوں کی تعمیر ہے تو ہم نصابی سرگرمیاں اس میں نمایاں ترین کردار ادا کرتی ہیں۔ بچہ دوسروں تک جس قدر اپنی بات اچھے انداز میں پہنچانے کے قابل ہوتا ہے اتنا ہی پُر اعتماد ہوتا ہے۔ اس مقصد کے پیش نظر ہر ماہ اسلامی تعلیمات کی روشنی میں اہم اسلامی اور قومی ایام کو منانے کے لیے سرگرمیاں کروائی جاتی ہیں۔ اس موقع پر دعاؤں کا خاص اہتمام کیا جاتا ہے، خصوصی اسمبلی کا انعقاد، تقریری مقابلے، ملی نغمے، جذبہ حب الوطنی پر مبنی ٹیبلو، طلبہ عدالت یا طلبہ اسمبلی، مشاعرے کا اہتمام، مضمون نویسی کے مقابلے، تصویریں نمائش، سائنسی نمائش، صفائی مہم، آزادی ریلی، امدادی سرگرمیاں اور شجر کاری جیسی سرگرمیاں اس کا حصہ ہوتی ہیں۔

اساتذہ کرام اپنی اس ذمہ داری سے بخوبی واقف ہیں کہ ان کا کام صرف اپنے شاگردوں کو نصاب کی کتابیں پڑھانا اور مارکس دلوانا ہی نہیں ہے بلکہ ایک خاص مشن یعنی "دنیا کی امامت و قیادت" کے لیے ان کو تیار کرنا ہے۔ "رَبَّنَا هَبْ لَنَا مِنْ أَزْوَاجِنَا ذُرِّيَّتًا قَرِيَةً اَلْحَمْدُ لِلَّهِ الْمُسْتَقِيمِ اِمَامًا" یہ ایک دعا ہے جو نئی نسل کو امامت کے منصب پر فائز ہونے کے لیے پڑھی جاتی ہے۔ دراصل ہمارا مقصد نئی نسل کو امامت کے لیے تیار کرنا ہے۔ ایسی نسل ہی انسان کی آنکھوں کی ٹھنڈک بن سکتی ہے جو اللہ اور اس کے رسول کے فرمان کے مطابق چلے۔ اس مقصد کو پانے کے لیے لازم ہے کہ آپ ﷺ کے نقش قدم کی پیروی کرتے ہوئے نشان منزل کی طرف دوڑ کر، چل کر، چلنے کی سکت نہیں تو گھسیٹ کر بھی چلیں۔ انشاء اللہ کامیابی ہمارا مقدر بنے گی اور یہ امت ایک بار پھر دنیا کی امام بنے گی۔

بقول خرم مراد "بڑے کام کرنے سے پہلے بڑے خواب دیکھنے چاہیے"۔

معلم کو اپنے بچوں میں بڑے بڑے خواب دیکھنے اور ان خوابوں کے تعاقب کرنے کی عادت ڈالنی چاہیے۔ آئیے! خوابوں کے سوداگر بنتے ہیں اور نئی نسل کو اونچے خواب دکھانے اور ان خوابوں کی تعبیر کو پانے کے لیے معاون اور مددگار ثابت ہوں۔ اللہ رب العزت ہماری سعی کو قبول فرمائے اور ہم سب کا حامی و ناصر ہو۔ آمین

جزاک اللہ

## Message from the Co-ordinator ECE

Dear Parents and Students,

We are delighted to celebrate the completion of one year in our pre-primary program! It has been a year filled with joy, growth, and learning for your little ones, and we couldn't be prouder of their achievements.

Children are a great blessing from Allah. With their tender hearts, children can be molded into righteous people only with a positive and tender approach. Islam considers children to be an amanah (trust) given to the family. Therefore, it is fard (obligatory) for the family to raise a child righteously.

Here are some important points this year:

\*Your children have made remarkable progress in various areas of development, including social skills, cognitive abilities, language proficiency, and motor skills. We have witnessed their confidence soar as they've tackled new challenges and explored the world around them.

\*Our pre-primary curriculum focuses on providing a strong foundation for future academic success. Throughout the year, your children have been exposed to a rich array of educational experiences, from literacy and numeracy activities to science experiments and creative arts projects. We have seen their curiosity and love for learning blossom.

\* Building strong social and emotional skills is crucial at this stage of development. Through group activities and guided discussions, your children have learned important lessons about empathy, cooperation, and self-regulation. These skills will serve them well as they continue their educational journey Islamically.

\* We greatly appreciate the support and involvement of parents throughout this past year. Your partnership has been invaluable in creating a nurturing and stimulating environment for your children. We encourage you to continue to be actively engaged in your child's education and to communicate with us regularly.

One should not favor one child over another. In Islam, both male and female children should be treated equally and should be loved and cherished. The children have certain rights over their parents; it is the family's obligation to shelter, feed, clothe, educate, support, nurture, and love them.

“Fear Allah and treat your children [small or grown] fairly (with equal justice).” (Al-Bukhari and Muslim)

\* As we reflect on the past year's accomplishments, we are also excited about the opportunities that lie ahead. Our dedicated team of educators is committed to providing the best possible learning experience for your children, and we look forward to another year of growth, discovery, and fun.

Once again, congratulations to our pre-primary students on reaching this milestone, and thank you to our parents for your continued support. Together, we will continue to inspire and empower our young learners to reach their full potential. JazakAllah

---

### **Message from the Facilitator ECE**

With great pride and delight, I take this opportunity to commit you to a joyful journey of education integrated with fun-filled learning experiences. As a Facilitator, I thank parents for trusting us with your most valuable possession and choosing us to give the responsibility of nurturing your young ones.

Following the thought of Swami Vivekananda, "Education is the manifestation of the perfection which already exists in human beings" We at UPSS believe that, "There is a bright child in every child and it is our moral duty to bring out the best in them." We understand that kids learn in peace and joy. Feel happy in exploring and find achievement in Discovery. Therefore UPSS philosophy is based on Einstein's Principles. Let children be explorers who follow their imaginations to unravel the mysteries of the known and unknown. I along with my team of educators are committed to creating a conducive environment for learning. With creativity, innovations, passion, and a drive to excel we are looking forward to wonderful days where like-minded people come together for an amazing cause. TO EXPLORE & LEARN. The key element in the creative process of education is discovery and experiential learning. So my dear young learners.... Be fearless in mind and have a pure soul. Be loving and have a caring heart. Have imagination and creativity with passion and integrity. In pursuit of happiness, I wish you a joyful journey of learning. I believe that education is power and we will never stop learning. With an unending quest for knowledge and nurturing curiosity. I invite young minds in the school campus. Be inspired every day, brimming with new ideas. Have a blissful life... Happy learning... Happy growing up!!!!

**Best Regards**  
**Facilitator ECE C-20**

## Cultivating Resilience in Young Children

One of the biggest delusions about parenting today is to create the perfect living environment for our children. Due to the nature of bulldozer parenting, in which parents attempt to remove all obstacles in their children's lives, unfortunately, children who are given everything develop and have little training for overcoming hardship, patience, or tolerating difficulties. Nowadays it is very important to cultivate the art of resilience in young children.

Resilience is the process and outcome of successful adaptation to challenging life experiences, especially through mental, emotional, and behavioral flexibility and adjustment to external and internal demands.

Resilience in Islam involves taking practical steps to address challenges and overcome adversity, learning from past experiences and mistakes, recognizing the temporary nature of worldly challenges, and recognizing the potential for personal growth and development during times of difficulty in the Quran Allah says,

﴿ ١٥٥ ﴾ وَلَنَبْلُوَنَّكُمْ بِشَيْءٍ مِّنَ الْخَوْفِ وَالْجُوعِ وَنَقْصٍ مِّنَ الْأَمْوَالِ وَالْأَنْفُسِ وَالثَّمَرَاتِ وَبَشِّرِ الصَّابِرِينَ

“We shall test you with something of fear and hunger, and decrease of goods, life, and fruits. Give glad tidings to the patient,” (155)

Hazrat Muhammad's (S.A.W) patience during times of hardship, such as the three-year boycott imposed on his clan, serves as a powerful example of resilience. Life's journey is rarely smooth, and children, like us, encounter difficulties along the way. Cultivating resilience in young children is also very essential. We can nurture this vital skill in our child by adopting some changes in our parenting strategies.

**Encourage Age-Appropriate Independence:**

Empower your child to solve problems independently, starting with small tasks like choosing their clothes or packing their lunch. Gradually increase the level of autonomy as they mature. This instills confidence, teaches resourcefulness, and builds problem-solving skills, all vital for overcoming future challenges.

**Celebrate the Journey, Not Just the Destination:**

When your child tackles a project or faces a challenge, acknowledge their effort and perseverance, not just the outcome. Celebrate the steps they took, the strategies they tried, and the lessons learned, even if the desired result wasn't achieved. This teaches them that growth and learning are as important as achieving perfection, fostering a growth mindset that empowers them to persist despite setbacks.

**Allow Safe Failures with Open Communication:**

Let your child experience manageable failures and learn from them. Instead of swooping in to "fix" every situation, provide guidance and support while allowing them to navigate the consequences of their choices. This helps them develop coping mechanisms, build resilience, and understand the importance of taking responsibility for their actions. Engage in open communication after the experience, helping them analyze what went wrong and strategize for future attempts.

**Equip Them with Emotional Regulation Tools:**

Help your child identify and express their emotions healthily. Teach them age-appropriate coping mechanisms like mindfulness exercises, deep breathing techniques, or engaging in calming activities like drawing or writing. Tell them stories of prophets and Islamic heroes from history.

This equips them to deal with difficult situations constructively, reducing stress and promoting emotional well-being.

**Prayer and Remembrance of Allah:**

Prayer, duas, and the remembrance of Allah (S.W.T). These acts bring comfort, reduce stress, and provide spiritual strength to tackle difficult periods.

By incorporating these essential strategies, we can help your child grow into a confident and resilient individual, prepared to face life's challenges with strength, optimism, and the ability to bounce back from unexpected challenges. Remember, Hazrat Muhammad (S.A.W) said, as reported by Hazrat Abu Hurraira RA,

The example of a believer is that of fresh tender plant ; from whatever direction the wind comes it bends it but when the wind becomes quite it becomes straight again similarly a believer is afflicted with calamities.(but he remains patient till Allah removes his difficulties.

**by Teacher of Grade II**

## “USMANIANS WELCOME WEEK” (DO THE BEST YOU CAN)

An orientation session was organized for the parents to apprise and introduce parents to the assessment module and policies followed at UPSS. The Principal delivered articulated presentations. A question/answer session was also held with the parents before the orientation concluded.

Knowing from experience that even the most welcoming preschool classroom can seem like a big and bright box of confusion to three-year-olds on their first day at school. We were as excited as you were on 4th April 2023 to welcome our little Usmanians.

Alhumdolillah, the teachers at UPSS eased the worries of the children by involving them in simple activities. Activity-based corners were planned to develop student's interest, love, and adjustment toward school. The day ended well when the children returned home with their first surprise takeaways.

Wishing Usmanians, a school year filled with kindness, compassion, and a heart full of love. May this school year be your opportunity to make new friends, to learn new things, and to have fun along the way. Wishing you a school year filled with success, happiness, and the joy of learning.

## Animal Day

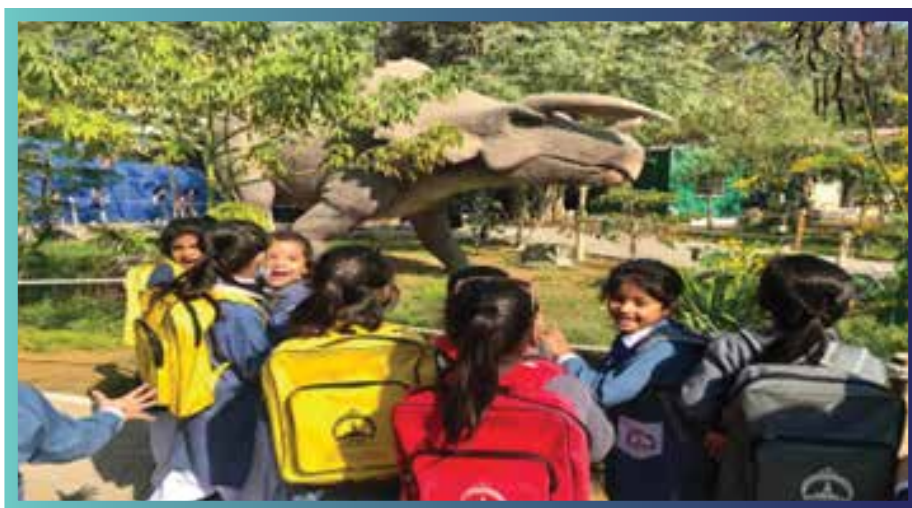

On Monday 22nd January 2024, Pre-Nurery, Nursery, and KG celebrated "Animals Day" as a part of their thematic unit Animal Around Us in January. The main object of organizing Animal Day was to bring awareness Allah SWT created how many types of animals are on earth for us. Students were excited and thrilled to see all kinds of animals in our school. Later on, students had fun doing interesting show and tell activities and artwork like drawing, painting, and craft work. It was truly a wonderful and knowledgeable exposure for our cute Usmanians.

JAZAKALLAH

## Excursion Trip

Excursion trips for preschoolers are highly beneficial and hold great importance in their overall development. Excursion trips for preschoolers offer a break from the usual classroom routine and provide valuable learning experiences outside of school. It allows them to explore the world around them, develop important life skills, and create lasting memories.

UPSS-20 organized a trip to the 'ELIXIR ZOO' for the students of Pre-Nursery and Nursery, where little tots enjoyed seeing the different wild animals and come to know about the different creatures of Allah SWT. Everyone thoroughly enjoyed the "Animal Show" which was organized by the management of the Zoo. An excursion trip to Safari Park located in Gulshan-e-Iqbal was organized for the students of Kindergarten to promote awareness and to expose the children to the world of amazing animals and their habitats. They had an amazing sight of different animals from the ferocious carnivores to the soft chirping birds. The cleanliness was on the spot. Teachers guided students to gather in the dino safari park where they played and relished their lunch get-together.

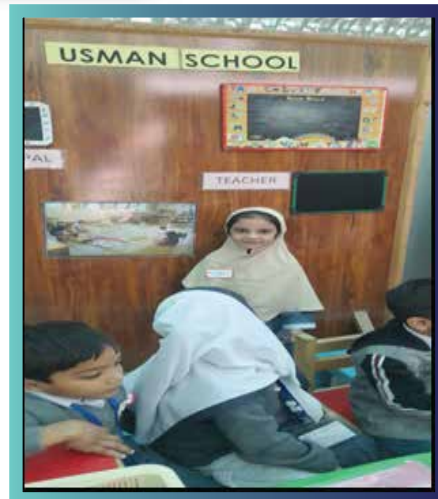

## PROFESSION DAY

### Class Pre-Nur, Nursery & K.G

**PROPHET MUHAMMAD (ﷺ) said:** No man earns anything better than that which he earns with his own hands. (SUNAN IBN MAJAH Vol #3, Hadith #2138)

To promote a peaceful and healthy environment, respect for one another's vocations is essential. On the lovely morning of November 21, 2023, Usman Public School System Campus 20 organized "Profession Day" to emphasize the importance and respect for all professions. Students introduced themselves by dressing in attire that represented different professions. Teachers set up many booths to showcase various careers. Students enthusiastically chanted their professional slogans, adding even more vitality to the day. The primary objective of this day is to teach students about the worth of and respect for other occupations.

## Sandwich Making Activity

We celebrated the sandwich activity on (15 December in Pre-nursery, 12th January in Nursery, and 2nd February in KG). The students have done a great job with the snack activity. \*Every child has the right to the best possible health: We value the importance of eating healthy.

We encourage a habit that we hope continues into adulthood. When we eat well, we fuel our box learn. A good diet and nutrition also play an important role in our mental health and physical and social development. \*Snack Time:

\*Group 1: Washing Incharge

\*Group 2: Cutting Incharge

\*Group 3: Mixing & spice In-charge (with the help of the teacher)

\*Group 4: Cleaning Incharge

However, we always serve fruits, vegetables, and chicken to encourage students to eat as much as possible. To help we ask that at home, you also regularly offer your child a healthy diet and encourage them to try new ones.

## Student's Week

When it comes to extracurricular activities, many children are getting too much of a good thing. Now its time to add a pinch of adventure, a sprinkle of sunshine, and a big handful of outdoor play with meaningful learning.

USMAN PUBLIC SCHOOL C-20 Celebrated STUDENT'S WEEK in the PRE-PRIMARY section on 08-01-2024 to 12-01-24 We have done different competitions like Qirat, Urdu Nasheed, Mental Maths, Naat, Eng Nasheed, Theme Tarana, Quiz, Spelling Bee and story retelling.

Students have an opportunity through extracurricular activities at school to learn about teamwork and develop strong communication. These kinds of activities with the academic curriculum so that students develop skills beyond the knowledge of subjects.

### ART

## Pre-Primary Sports Day Celebration

Dear Parents,

We are thrilled to share the joyous moments of our Pre-Primary Sports Day held in December. It was a delightful occasion filled with laughter, cheers, and youthful energy. Our little athletes showcased their talents which Allah SWT gave them and enthusiasm through various fun-filled activities and games.

The event commenced with the Surah recitation. The atmosphere was electrifying as they participated in relay races, obstacle courses, and friendly competitions. Each child exhibited remarkable sportsmanship and determination, making every moment memorable.

We extend our heartfelt gratitude to all parents and staff members for their unwavering support and encouragement, which contributed to the success of this event. It was truly heartwarming to witness the spirit of camaraderie and unity among our young athletes. As educators, we believe in nurturing not only academic excellence but also holistic development. The Pre-Primary Sports Day served as a platform to instill essential values of teamwork, resilience, and healthy competition in our students.

We look forward to many more such celebrations, where our little stars continue to shine bright, igniting the spirit of sportsmanship and camaraderie.

## KASHMIR DAY-K.G

February marked a special occasion in our kindergarten classes as we celebrated Kashmir Day with our youngest learners. Through age-appropriate activities, stories, and crafts, our little ones gained insight into the rich culture and heritage of Kashmir. It was heartwarming to see their enthusiasm and curiosity as they engaged with the topic. These celebrations not only fostered cultural awareness but also instilled values of empathy and understanding of the struggle of the Kashmir people from an early age.

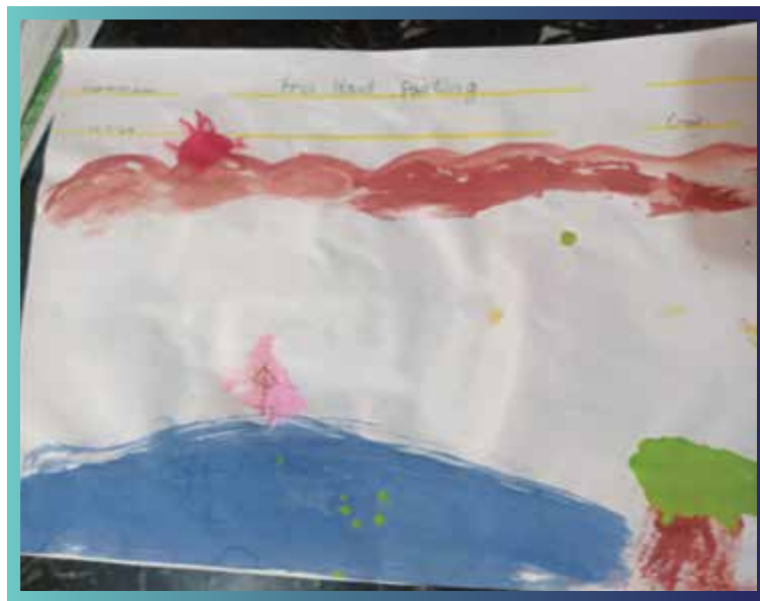

## Portfolios ECE:

This activity held at 12TH January.2024 in our Campus 20.

In this activity student learned how to brief their imagination about topic using paints. In this we made students feel free while they doing activity. This activity was all about painting. Painting is a way for students to do many things. Convey ideas, express emotion and explore colors.

The act of painting offers a host of physical benefits, from fine and gross motor skills to eye-hand coordination, visual perception and spatial awareness.

This activity held at 15TH December .2023 in our Campus 20.

In this activity student learned how to brief their imagination about topic using color. In this we make students feel free while they doing activity. This activity is free hand drawing about excursion trip. After excursion trip enhanced their critical thinking skills and gave students a chance to think about a topic or theme from a different perspective.

An excursion was a trip by a group of people, usually made for leisure, education, or physical purposes.

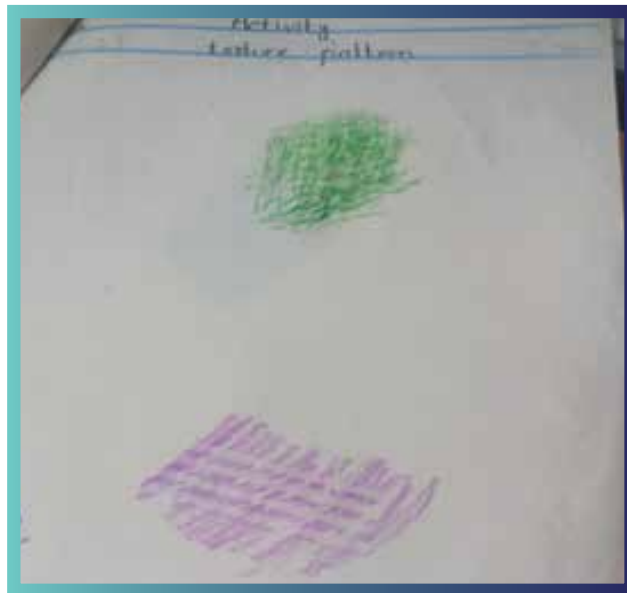

This activity held at 22TH September .2023 in our Campus 20.

In this activity student learned how to brief their imagination about topic using color. In this we made students feel free while they doing activity. This activity was free hand drawing about the blessings of Allah SWT. The blessings of Allah are numerous and encompass all aspects of our lives. Some of the blessings include good health, a loving family, food on our tables, and the beauty of nature around us. It's important to be grateful for these blessings and acknowledge that they come from Allah's infinite mercy and love. From this concept we put thankfulness.

This activity held at 06TH October.2023 in our Campus 20.

In this activity student learned how to brief their imagination about topic using paints. In this we made students feel free while they doing activity. This activity was about texture painting. Students will be introduced to one of the basic elements of art—texture by identifying different types of textures found in multiple works of art and hypothesize what materials and techniques were used to achieve that texture.

This activity held at 19TH January.2024 in our Campus 20.

In this activity student learned how to brief their imagination about topic using paints. In this we made students feel free while they doing activity. This activity was free hand drawing about service of mankind. This was a theme based activity. It teaches kids to be selfless and to make a positive impact on the world around us. By serving others, we also learn about different cultures, perspectives, and ways of life, which makes us more tolerant and accepting. It also make kids thankful to Allah SWT.

This activity held at 26TH January.2024 in our Campus 20.

In this activity student learned how to brief their imagination about topic using paints. In this we made students feel free while they doing activity. This activity was leaf printing. Children learn many things through leaf printing! When they paint the leaves and press them onto paper, they learn a new way to express their creativity and artistic skills. They explored different colors and textures and let their imagination run wild. Leaf printing also teaches them patience and focus as they handled each leaf carefully. It can also help them learn about nature and plants as they observe different types of leaves and their shapes and patterns. Overall, leaf printing provides children with artistic skills, creativity, patience, and knowledge about nature. It's a fun and educational activity.

This activity held at 05TH January.2024 in our Campus 20.

In this activity student learned how to brief their imagination about topic using colors and different material. In this we made students feel free while they doing activity. This activity was free hand drawing about winters. In the winter season, children learn many things. They learned discipline and time management as they have to wake up early in the cold mornings and finish their tasks on time. Winter teaches them to protect themselves from the cold and take care of their health. They wear warm clothes, eat warm food, and keep their immunity strong. And of course, building a snowman is a must-do activity in winter, which involves creativity and teamwork. Overall, winter provides children with new experiences and helps them develop various skills.

## عشرہ اقبال

پرواز ہے دونوں کی اسی ایک فضا میں  
کر گھس کا جہاں اور ہے شاہیں کا جہاں اور

جوں جوں نومبر کا مہینہ قریب آتا ہے۔ عثمان پبلک اسکول سسٹم کی فضا میں اقبال کی شاعری اور ادبی جوش کا جذبہ بھر جاتا ہے۔ یہ وہ وقت ہے جب ہم ایک قوم کے طور پر اپنے سب سے قابل احترام شاعر، فلسفی اور پاکستان کا خواب دیکھنے والے ڈاکٹر علامہ محمد اقبال کو خراج تحسین پیش کرتے ہیں۔ عشرہ اقبال کی مناسبت سے ہر سال عثمان پبلک اسکول سسٹم نہ صرف 9 نومبر کو علامہ اقبال ڈے مناتا ہے۔ بلکہ پورا مہینہ ادب، فلسفے اور جدوجہد آزادی میں ڈاکٹر علامہ محمد اقبال کی خدمات کو خراج تحسین پیش کرنے کے لیے عشرہ اقبال منایا جاتا ہے۔

عشرہ اقبال منانے کے لیے عثمان پبلک اسکول سسٹم شاخ بیس میں مختلف سرگرمیاں کرائی گئی ہیں۔ یہ سرگرمیاں طالب علموں کو علامہ اقبال اور ان کی انمول خدمات کے بارے میں آگاہی دینے کے متعلق ہیں۔

اسکول میں منعقد ہونے والی تقریبات میں مقابلہ نظم جس میں طالب علموں نے علامہ اقبال کی بچوں کے لیے لکھی گئی مشہور نظمیں جن میں پہاڑ اور گلہریں، مکڑ اور مکھی، جگنو، بچے کی دعا اور ہمدردی وغیرہ شامل ہیں پڑھیں اور نظموں سے خوب لطف اندوز ہوئے اس کے علاوہ جماعت اول اور دوم کے طلباء و طالبات نے بیت بازی کے مقابلے میں بھی بڑھ چڑھ کر حصہ لیا۔ عشرہ اقبال کے حوالے سے بچوں نے مکڑ اور مکھی پر ٹیبلو بھی پیش کیا جسے بہت پسند کیا گیا اس کے ساتھ ساتھ عشرہ اقبال کیوں منایا جا رہا ہے؟ اور ڈاکٹر محمد علامہ اقبال کی کون کون سی خدمات ہیں؟ اور ان کی وجہ شہرت کیا رہی؟ انہیں کیا خطابات دیے گئے؟ انھیں شاعر مشرق کیوں کہا جاتا ہے؟ ان کی زندگی کے حوالے سے بچوں میں شعور بیدار کرنے کے لیے اور اقبال کا شاہین بننے کے لیے معلومات فراہم کرنے کے حوالے سے اسکول میں آڈیو ویڈیو کا بھی اہتمام کیا گیا۔ اس طرح مکمل عشرہ اقبال طالب علموں کے لیے تعلیم و تربیت کے حوالے سے انتہائی بہترین رہا۔

تقلید سے ناکارہ نہ کر اپنی خودی کو  
کر اس کی حفاظت یہ گوہر ہے یگانہ

## شجرکاری مہم: ترقی کا جذبہ

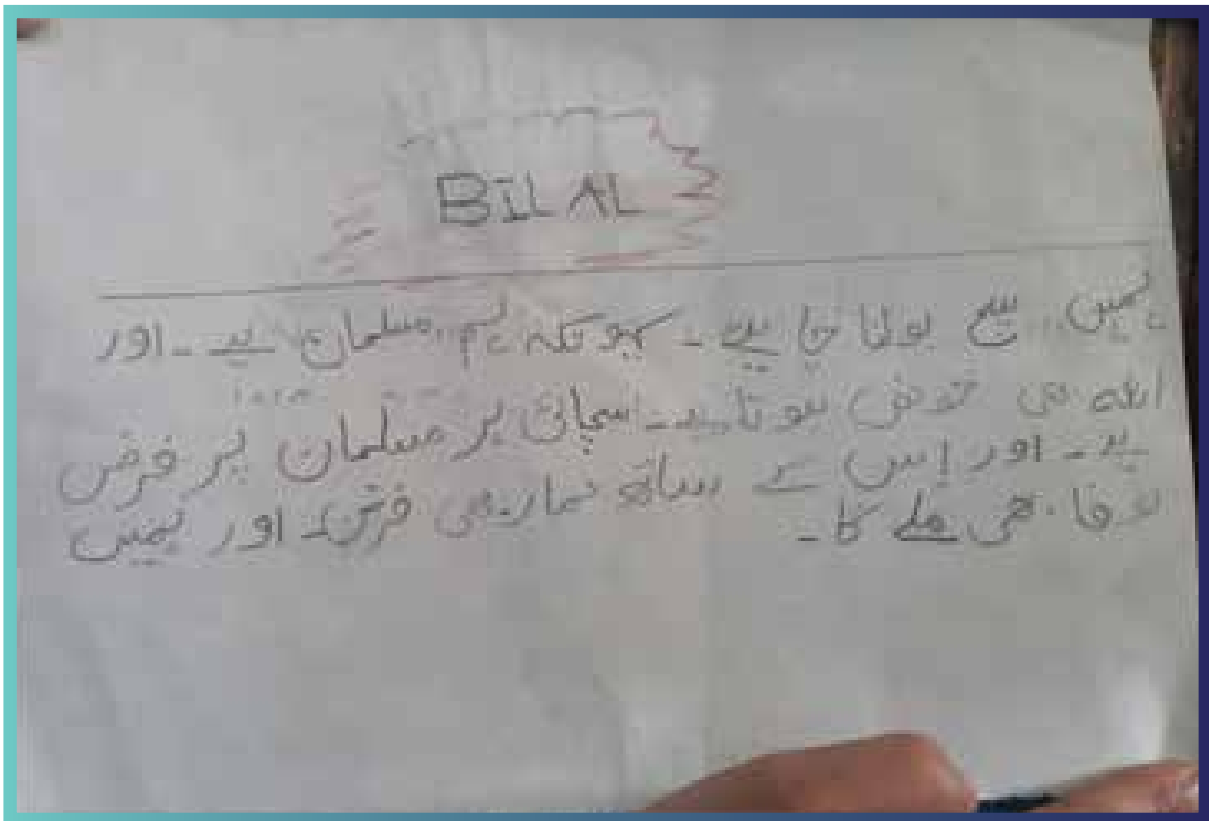

عثمان پبلک اسکول سسٹم میں ہم ترقی کے جذبے کو پروان چڑھانے پر یقین رکھتے ہیں نہ صرف ہمارے اسکول میں بلکہ ہمارے ماحول میں بھی شجرکاری صرف بیج لگانے کے بارے میں نہیں ہے۔ یہ زندگی کی پرورش، اپنے ملک کے تئیں ذمہ داری کے احساس کو فروغ دینے، اور فطرت کے ساتھ تعلق قائم کرنے کے بارے میں ہے جو زندگی بھر قائم رہتا ہے۔

شجرکاری کے فوائد کہیں زیادہ ہیں۔ درخت، پھول اور دیگر ہریالی لگا کر، ہم صاف ہو اور ایک صحت مند ماحولیاتی نظام حاصل کر سکتے ہیں۔ اسی کو مد نظر رکھتے ہوئے عثمان پبلک اسکول سسٹم شاخ بیس نے شجرکاری کی مہم کا آغاز کیا۔ جس میں جماعت دوم کے طلبہ اور طالبات نے بڑھ چڑھ کر حصہ لیا۔ شجرکاری کے لیے ہمارے طلبہ اور طالبات نے گملوں میں بیج بویا اور بہت پر جوش طریقے سے شجرکاری مہم میں حصہ لیا اس کے ساتھ ساتھ روزانہ کی بنیاد پر اپنے لگائے گئے پودوں کی دیکھ بھال کی۔ شجرکاری کے جذبے کو مزید فروغ دینے کے لیے جماعت میں طلبہ اور طالبات کو رسول صلی اللہ علیہ وسلم کی حدیث جس میں رسول اللہ صلی اللہ علیہ وسلم نے فرمایا: ”مسلمانوں میں سے کوئی ایسا نہیں جو درخت لگائے یا بیج بویا، پھر اس میں سے کوئی پرندہ، انسان یا جانور کھائے، لیکن اس کے لیے صدقہ ہے۔“ پڑھائی اور سمجھائی گئی اور بچوں میں درخت لگانا ایک صدقہ ہے کے جذبے کو پیدا کیا اور فروغ دیا۔

## Creative Writing Activities

Creative writing activities in school are fun ways for students to use their imagination and express themselves. They might write short stories, poems, or even work together on group stories. These activities help students develop their writing skills while having a good time. Sometimes, schools also hold writing contests or make books with students' stories and poems. It's a great way for kids to show off their creative writing and learning ability. On the 9th and 10th of December Usman Public School Campus 20 celebrate a student week in which they have activity of creative writing for Urdu and English and It is a fun-loving activity for students. They enjoyed alot.

## Sports day

Sports Day is a very exciting and happy day that every student looks forward to. Every student can participate in different types of races. Personally, I enjoy sports day and look forward to it every year. It helps students showcase their athletic abilities in front of an enthusiastic audience.

That's why in our school we held a sports day to boost student energy level on 15th and 16th December 2023 for class I and II. There were so many races in their houses, and they enjoyed it very much. Annual Sports Day is a fun day at school where everyone participates in different sports. It's a day to showcase our physical strength and sportsmanship. On those days, our school ground was beautifully decorated. Students participated in races like running, relay race, long jump, and high jump. Some kids even participate in fun games like sack race and lemon and spoon race. Not only students but teachers also take part in different games. We cheer for our students and enjoy watching them compete. At the end of the day, winners are awarded medals and certificates. And it was such a joyful moment for our students to see them energetic and happy. Annual Sports Day teaches us the importance of teamwork and inspires us to stay fit and healthy.

**“An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head.”** Emil Zatopek

## Excursion Trip

An excursion trip is like a mini adventure, offering a break from routine and a chance to explore new places, it's an opportunity to unwind and make memories. Excursions often spark curiosity, fostering learning and appreciation for the world around us. Our Excursion trip held on 20th December 2023 for Grade I and II both were taken to Safari Park. Students played badminton, football, scrabble, and many more games with their teachers and created memorable and enriching experiences. After that, we went to the newly established "Dino World". Many students were deeply intrigued by dinosaurs. Their colossal size, ancient origins, and mysterious extinction made them captivating subjects of study and imagination. Then students went to the reserve area, for lunch. Overall, lunchtime in the park was a wonderful way which refresh our minds, body, and spirit amidst the beauty of nature and brought moments of peace and relaxation for all of us. Lastly, we went to the safari area by bus and saw different animals. Beyond the entertainment value, a trip to the Safari Park served as a powerful educational tool. The safari journey comes to an end with little tiredness.

## **STUDENT'S WEEK**

Student's Week is more than just a break from routine, it's a vital component of the academic calendar that enriches the educational experience and cultivates a vibrant campus culture. During Student Week, students have the opportunity to explore new interests, discover hidden talents, and push their boundaries beyond the confines of the classroom. In our campus, Student week held on 9th Jan and 10th Jan 2024 for class I and II. In that event we had so many activities like, National songs, Qirat competition, Naat competition, Nasheed competition, Urdu poem competition, English poem competition, Vocabulary Game, English & Urdu creative writing competition and Art competition. Students level of excitement was at its peak and we also enjoyed very well to see our students. In conclusion, Student Week plays a crucial role in the holistic development of students and the cultivation of a vibrant campus community.

Student Week creates an environment where students can thrive academically, socially, and personally. As an integral part of the academic calendar, Student Week serves as a catalyst for positive change, empowering students to become lifelong learners, responsible citizens, and agents of progress in their communities and beyond. Later, we distributed the certificate to our dedicated students and they enjoyed very much.

**“Education is the most powerful weapon which you can use to change the world.”** Nelson Mandela

## ART ACTIVITIES

**“Art is the most intense mode of individualism that the world has ever known.”** (Oscar Wilde)

The grade I and grade II students at our school participated in a series of art activities that not only sparked their creativity but also helped them develop different skills. The students were introduced to a variety of art materials such as paints, markers, crayons, and colour pencils, and they were encouraged to experiment and express themselves through their artwork.

One of the art activities for grade I students involved painting pebbles, where the students were asked to imagine different fruits, insects etc and paint the pebble accordingly. This activity not only helped the students improve their observational skills but also boosted their self-confidence as they represented in their artwork.

Another activity focused on teaching the importance of UMRAH was making greeting card. Teacher explained the importance of UMRAH in islam to students. Students were given card sheet for this activity. The students had a chance to made a card with the help of various materials such as stickers, stars, paints, colour pencils etc. This activity allowed the students to understand a method of greeting by giving cards to their family.

The activity of making building blocks by recycle empty card boxes of toothpaste, syrup, medicine, shampoo etc was also done. This activity focused on the importance of recycling.

Additionally, the students were introduced to the works of origami. Teacher explained the method and gave demonstration of making paper boat.

Students were encouraged to make their own paper boat. In our school students enthusiasm level was also high in other activities like pot making with clay etc

Overall, the art activities in grade I and II were a great success, providing the students with a platform to express themselves creatively, develop their fine motor skills, and appreciate the beauty of art. The students thoroughly enjoyed the activities and were able to showcase their unique talents and perspectives through their artwork.

## یوم کشمیر

فروری یوم کشمیر، پاکستان میں قومی تعطیل کا دن ہے۔ اس دن پاکستانی حکومت و عوام کشمیری عوام سے اظہارِ یکجہتی 5 کرتی ہے۔ اس دن کی مناسبت سے پاکستان کو کشمیر سے ملانے والے راستوں اور دیگر اہم جگہوں پر انسانی ہاتھوں کی زنجیر بنانے کے ساتھ ساتھ جلسے جلوس اور ریلیاں منعقد کی جاتی ہیں۔ دنیا بھر میں مقیم پاکستانی اور کشمیری یوم یکجہتی کو ایک خاص دن کے طور پر دیکھتے ہیں۔ بھارت نے آج سے 76 برس پہلے زبردستی مقبوضہ کشمیر پر تسلط قائم کیا، 76 سال گزرنے کے بعد بھی بھارت کی مظلوم کشمیریوں کیخلاف ظالمانہ اور غیر انسانی کارروائیوں کا سلسلہ مسلسل جاری ہے اور ہر سال ہزاروں معصوم کشمیری بھارتی بربریت کے ذریعے شہید کر دیئے جاتے ہیں، فوج کشی کے باوجود بھارت آج تک کشمیریوں کے مضبوط عزائم اور حوصلوں کو پست نہیں کر سکا۔ اپنی نوجوان نسل کے اندر اس ظلم کے خلاف آگاہی پیدا کرنے کے لئے عثمان پبلک اسکول ہر سال یوم کشمیر مناتا ہے۔ اسی سلسلے کو جاری رکھتے ہوئے اس سال بھی یکم فروری کو طلبہ نے نہایت ہی جوش و خروش سے یوم کشمیر منایا۔ تقریب کا آغاز تلاوت قرآن سے ہوا۔ اس کے بعد ہماری سہولت کار صاحبہ نے آکر بچوں کو کشمیر پر ہونے والے مظالم کے متعلق بتایا کہ کس طرح 1990ء کی دہائی سے اب تک بھارت نے گزشتہ 33 سال کے دوران آزادی مانگنے کی پاداش میں 96 ہزار 285 کشمیری شہید کیے ہیں اور 1 لاکھ 70 ہزار کے قریب کشمیری شہری بھارت کی مختلف جیلوں میں قید کیے گئے جبکہ کھربوں روپے کی جائیدادیں بھی ضبط کرنے سمیت ایک لاکھ سے زائد کاروباری مراکز اور گھر جلا دیئے ہیں۔ اس کے بعد ایک طالب علم نے آکر انتہائی ولولہ انگیز تقریر کی جس نے تمام بچوں کے لہو کو گرمادیا اور انھوں نے کشمیر اور پاکستان کے حق میں نعرے لگائے۔ اس کے بعد بچوں نے جہادی ترانہ پڑھا اور ایک ڈرامہ پیش کیا گیا جس کے ذریعے انھوں نے کشمیر پر ہونے والے منظر پیش کئے۔ اور آخر میں تقریب کا اختتام دعا سے ہوا جس میں کشمیریوں کے مصائب کے خاتمے اور ان کے حق کے حصول کے لیے دعا کی گئی۔ تحریک آزادی کشمیر کے متعلق ایک نظم میں حبیب جالب کہتے ہیں:

یہ شعلہ نہ دب جائے یہ آگ نہ سو جائے  
 پھر سامنے منزل ہے ایسا نہ ہو کھو جائے  
 ہے وقت یہی یارو، جو ہونا ہے ہو جائے  
 کشمیر کی وادی میں لہرا کے رہو پرچم

## یوم حیا

مغرب میں مدتوں سے 14 فروری کو ویلنٹائن ڈے منایا جاتا ہے لیکن گزشتہ کچھ سالوں کے دوران پاکستان میں بھی اس دن کی اہمیت دوچند ہو گئی ہے۔ بالخصوص سوشل میڈیا کے باعث اس مغربی تہوار سے مشرق کاہر نوجوان واقف ہو چکا ہے۔ پاکستان میں جب ویلنٹائن ڈے کی روایت عروج پر پہنچی تو مذہبی رجحان رکھنے والوں نے اسے یوم حیا کے طور پر منانا شروع کر دیا۔

اس روایت کو شروع کرنے کا سہرا اسلامی جمعیت طلبہ کے سر ہے، پاکستان میں پہلی مرتبہ ”یوم حیا“ منانے کا فیصلہ 9 فروری 2009ء کو پنجاب یونیورسٹی لاہور میں کیا گیا۔ ویلنٹائن کے مقابلے میں اس روز کو ”یوم حیا“ کا نام اسلامی جمعیت طلبہ جامعہ پنجاب کے ناظم قیصر شریف نے دیا، انہوں نے 9 فروری کو اعلان کیا کہ پنجاب یونیورسٹی میں 14 فروری 2009ء کو ویلنٹائن کی بجائے ”یوم حیا“ منایا جائے گا۔

اگلے سال جب قیصر شریف اسلامی جمعیت طلبہ پنجاب کے ناظم بنے تو انہوں نے ”یوم حیا“ کو 14 فروری 2010 کے روز پورے صوبے میں جوش و خروش سے منانے کا فیصلہ کیا اور پھر 2011ء میں پورے پاکستان میں ”یوم حیا“ منایا گیا۔ اسی طرح کہا جاسکتا ہے کہ ”یوم حیا“ کے بانی قیصر شریف ہیں جو اس وقت جماعت اسلامی پاکستان کے مرکزی سیکرٹری اطلاعات ہیں۔ اسی طرح عثمان پبلک اسکول نے بھی طلبہ میں اس دن کے حوالے سے شعور پیدا کرنے کے لئے یوم حیا کا اہتمام کیا اور 14 فروری کو بچوں کی ایک ریلی نکالی جس میں بچوں نے یوم حیا کے حوالے سے پوسٹرز تھامے تھے۔ اس سلسلے میں جناح ہاؤس نے ایک اسمبلی بھی منعقد کی جس میں انہوں نے بچوں کو اس حوالے سے معلومات فراہم کی۔ آخر میں اللہ سے یہی دعا ہے کہ اللہ تعالیٰ مسلمانوں کی ان کوششوں کو کامیابی عطا فرمائے۔

حیا سے حسن کی قیمت دوچند ہوتی ہے  
نہ ہوں جو آب تو موتی کی آبرو کیا ہے

## SNACK ACTIVITY

**Health eating is a way of life, so it is important to establish routines that are simple, realistically and ultimately livable**(Horace )

Salad activity was conducted at our school for grade I students, on Monday 27th November 2023 and in grade II sandwich making activity was done on 24th January 2024 . The aim of the activities was to teach them about the importance of healthy eating habits. The activity began with a brief introduction to different fruits and vegetables commonly used in Salads. The students were then divided into small groups and each group was assigned specific task like washing fruits and vegetables, mixing, cleaning and cutting under the guidance of the teachers, the students in group enthusiastically participated in mixing the ingredients to create their own unique salad. They were encouraged to use their creativity and experiment with different combinations of fruits and vegetables. The activity not only allowed the students to practice their fine motor skills but also helped them learn about the nutritional benefits of various ingredients they were using.

At the end of the activity, the students proudly presented their colourful and delicious salads and sandwiches which they then enjoyed as a healthy snack. Overall, both activities were a fun and educational experience that engaged the students in learning about healthy eating habits in a hands-on and interactive way.

## Profession day

Profession day in school is such a joyful and exciting day for students. It's a time when students can let their imaginations run and dress up as their dream careers. In our campus we celebrated Profession day on 30th October-2023. It was the day full of energy and excitement.

## Sports Day

Sports Day is a very exciting and happy day that every student looks forward to. Every student can participate in different types of races. Personally, I enjoy sports day and look forward to it every year. It helps student showcase athletic abilities in front of an enthusiastic audience.

That's why in our school we held sports day to boost student energy level on 15th and 16th December 2023 for class I and II. There were so many races among their houses, and they enjoyed very much. Annual Sports Day is a fun day at school where everyone participates in different sports. It's a day to showcase our physical strength and sportsmanship. On those days, our school ground was beautifully decorated. Students participated in races like running, relay race, long jump, and high jump. Some kids even participate in fun games like sack race and lemon and spoon race. Not only students but teachers also take part in different games. We cheer for our students and enjoy watching them compete.

At the end of the day, winners are awarded medals and certificates. And it was such a joyful moment for our students to see them energetic and happy. Annual Sports Day teaches us the importance of teamwork and inspires us to stay fit and healthy.

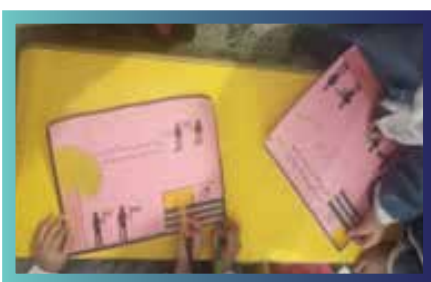

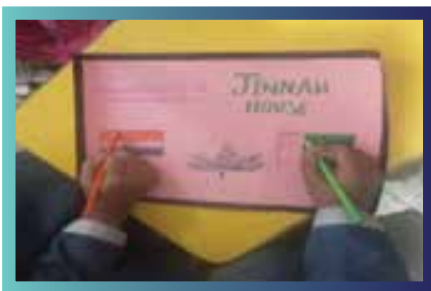

**“An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head.”** Emil Zatopek

# Kashmir Day

Usman Public School System Campus 20. Students of grade III to IV participated in a long assembly on the occasion of expressing solidarity with Kashmiris and chanted slogans and songs to express solidarity with Kashmiris and students of class 5 designed posters in which They showed the atrocities on Kashmir on their canvas and for this purpose the teachers helped the students and provided them with information and along with that the teachers also decorated the softboard regarding Kashmir Day on which the students made their own. In all the activities of this day special prayers are asked for the Kashmiri people and the students freely pray for their Kashmiri Muslim brothers and sisters. Usman Public School System has always tried to make the Muslims feel that Kashmir is part of Muslims and for Muslims only Muslims continue their efforts and will surely liberate them one day InshaAllah....

## وال میگزین

وال میگزین طلبہ کی تخلیقی صلاحیتوں کو اجاگر کرنے کا ایک موثر ذریعہ تدریس ہے جس کے ذریعے طلبہ تحریر، شاعری، تصویری خاکوں، رنگوں کے امتزاج اور خطاطی کو کاغذ پر موضوع کی مطابقت سے ترتیب دے کر ایک جریدے کی شکل میں تختہ نرم پر آویزاں کرتے ہیں یہ طریقہ تدریس طالبات پنجم کے لیے نیا تھا جس کی تیاری میں انہوں نے بڑھ چڑھ کر حصہ لیا معلمہ کی رہنمائی میں فہم القرآن کی کتاب سے میقات اول سے "سورہ شعراء" اور میقات دوم سے "سورہ الحجرات" کے حوالے سے وال میگزین تیار کیے گئے۔

## کتب خانے اور کتب بینی کے فوائد

قوموں کے عروج و زوال میں کتب بینی کا کردار بہت اہم ہے جس قوم میں کتب بینی کا رواج عام ہو اسے دنیا کی کوئی طاقت شکست نہیں دے سکتی کتاب سے دوستی انسان کو شعور کی نئی منزلوں سے روشناس کراتی ہے جس طرح انسانی زندگی پر غذا آب و ہوا جغرافیائی حالات اور معاشی حالات کا اثر ہوتا ہے اسی طرح کتاب، کتب خانے اور مطالعے کے اثرات بھی انسان کی فکری بالیدگی سماجی، احترام، معاشی ترقی، تدریسی اور تحقیقی صلاحیتوں کی نشوونما میں مثبت اور اہم کردار ادا کرتے ہیں۔

سرگرمی نمبر ۱: کتب بینی کے علاوہ کتاب کی حفاظت کی ایک سرگرمی لائبریری میں منعقد کی گئی اس سرگرمی کا مقصد جماعت چہارم اور جماعت پنجم کی طالبات میں یہ صلاحیت پیدا کرنا تھا کہ انہیں خود اپنی کتابوں کی حفاظت کرنا آئے۔ مسلسل استعمال سے کتابیں یا ناقص یا سنڈنگ کی وجہ سے اگر کوئی کتاب یا کاپی پھٹ جائے یا اس کی بانڈنگ خراب ہو جائے تو کس طرح اپنے گھر میں موجود چیزوں گوند، اسٹیبلر، اسکواش ٹیپ اور گلو سے اپنی کتابوں کی مرمت کر سکتے ہیں۔

سرگرمی نمبر ۲: اس سرگرمی کا مقصد طالبات کو لائبریری کا صحیح استعمال سکھانا اور کتاب سے کم وقت میں زیادہ سے زیادہ فائدہ اٹھانا ہے اس مقصد کے لیے طالبات کو ایک موضوع دیا گیا اور اس کے ذریعے کتاب کی تلاش کی گئی پھر اس موضوع پر لکھنے کو کہا گیا جس سے طالبات میں مختلف کتابوں اور رسائل کے موضوعات تلاش کرنے کی صلاحیت پیدا ہوئی نیز لائبریری کا درست استعمال کرنے کی بھی صلاحیت پیدا ہوئی۔

## **Annual sports day**

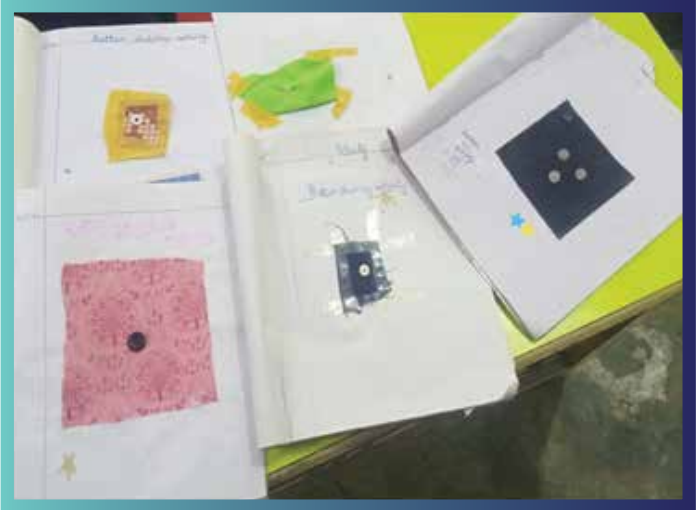

Sports develop physical as well as mental and emotional health of the students. It teaches skills like leadership, patience, tolerance and above all teamwork. Events like sports day provide an opportunity for the students to showcase their skills and to realize their areas of expertise and interest. At UPSS sports is an integral part of the curriculum. The primary sports day for classes III- V was celebrated on December 19, 2023. Students were provided with an opportunity to participate in races like Burst the balloon, spoon and lemon, sack, Getting Ready for school and others. Students of class V also showcased their skipping skills. The event commenced with the recitation of Quran followed by Hadith and dua. Students then took an oath to show sportsmen's spirit and give their best. The event ended with the award ceremony. Students achieved gold, silver, and bronze medals. Indeed it was a day full of enthusiasm, passion and warmth.

# LIFE SKILL ACTIVITES

## Stitching and sewing a button

**Grade IV**

## Grade IV

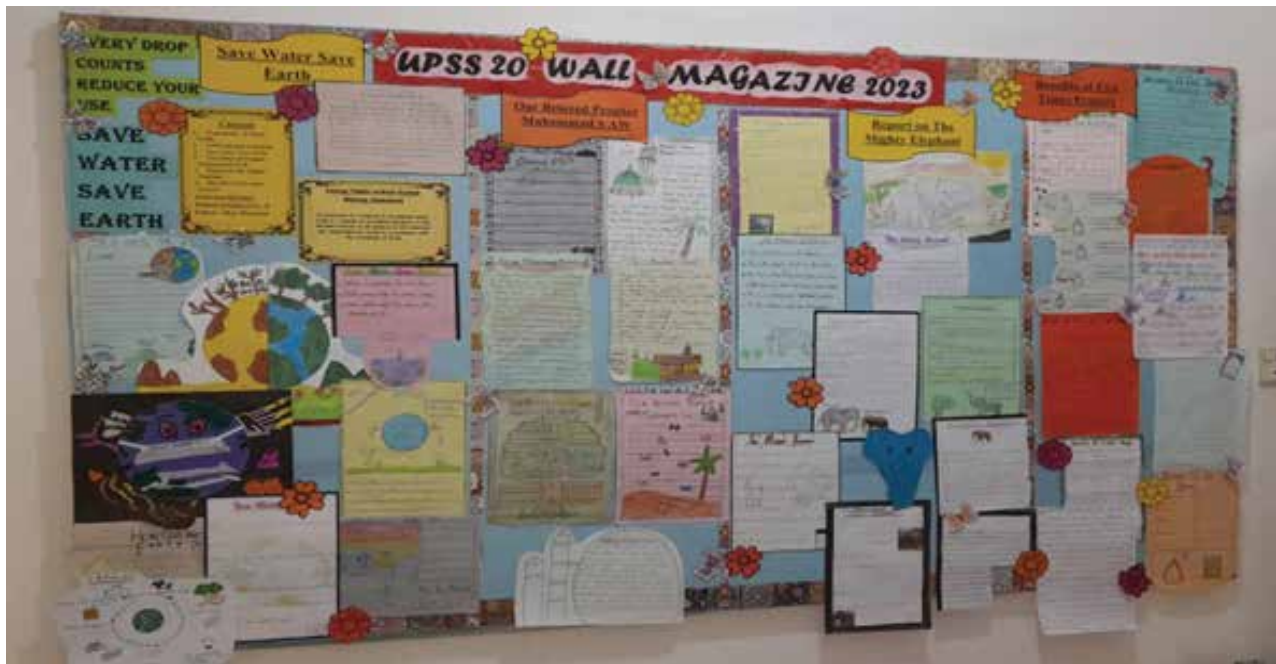

## Grade V

Students of grade 3 made a 3D model of computer using empty boxes of juice, shoes, milk, perfumes, match boxes and many more. It was a recycle activity in Social studies. They learn how to recycle empty boxes and reduce waste and pollution in the society. All students performed really well. They all were very excited and enthusiastic to get this opportunity. Some of the projects were resembled real life objects. They made monitors, CPU, mouse and speakers. They pasted printed windows screen on the monitor. It was an interesting activity.

Students of grade 3 displayed their presentations on wall magazine. It was term wise activity. In Mid term students were asked to make presentation on the given topics Benefits of prayers, save water save earth, Our beloved Prophet Hazrat Muhammad SAW and the mighty elephants. Students collect information from the chapters and presented it on A4 paper with some drawings . Teacher selected some best work and displayed it on wall magazine. In final term exams students were asked to on the Inspirational life of Hazrat Umer RA. They learned a lot about our 2nd Caliph through this activity. Their ideas were creative and informative. Some of the students selected interesting shapes that added innovations to their presentation. These activities boast up students' confidence as they saw their writings displayed on wall magazines and on Facebook site of Usman Public school.

## Ramadan

Ramadan is the 9th month of the Islamic Calendar. Ramadan comes after the month of Shaban. In Ramadan Muslims from all over the world wake up before Fajr and do Sahoor and niyat of fast. Prefast meal is called Sahoor. Then at namaz e Maghrib Muslims break their fast by having the post fast meal called Iftar. Muslims fast for the sake of Allah SWT. Fasting is one of the five pillars of Islam.

It is important for every Muslim to fast. Children above 12 years old are expected to fast. Fasting is very important for our body. Scientists prove that fasting is very beneficial for our body.

During the month of Ramadan Allah SWT imprisons Shaitan. This month is a very important and blessed month as the Quran was revealed in this month. Zakat is also given in the month of Ramadan. The reward of our deeds doubles during this month. Allah SWT teaches us a lesson of patience during this month. After the month of Ramadan Allah SWT gives us a reward of Eid.

Written by Safa Salman Grade IV-A

## عید الفطر

جیسا کہ آپ سب کو معلوم ہے کہ عید الفطر پہلی شوال کو منائی جاتی ہے۔ یہ مسلمانوں کے لئے اللہ کی طرف سے رمضان میں روزے رکھنے کا تحفہ ہے۔ یہ تمام مسلمانوں کے لئے بہت خوشی کا دن ہوتا ہے۔ ہم بھی اس عید کو بہت خوشی سے مناتے ہیں۔ ہمارے گھر صبح سے ہی چہل پہل شروع ہو جاتی ہے۔ میرے ابو اور بھائی تیار ہو کر عید کی نماز پڑھنے عید گاہ جاتے ہیں۔ جب وہ نماز پڑھ کر آتے ہیں تو ہم سب گھر والے مل کر ناشتہ کرتے ہیں۔ گھر پر مہمان آتے ہیں امی ان کے لئے کھانے پینے کا خاص اہتمام کرتی ہیں۔ مختلف اوسام کے کھانے بناتی ہیں کھانا کھانے کے بعد سب بڑے لوگ ہم بچوں کو عیدی دیتے ہیں۔ سب مہمانوں کے جانے کے بعد میں اپنی عیدی گنتی ہوں اور اپنے ابو سے بھی عیدی لیتی ہوں۔ میری اللہ تعالیٰ سے دعا ہے کہ میں اور میرے گھر والے ہر سال ایسے ہی خوشیوں کے ساتھ عید گزاریں۔

آمین

## TOPIC: “trees; the lungs of nature”

You often have heard people saying, “Trees are the lungs of the nature”, why is it so? Actually this means that trees produce oxygen which we need to breathe and oxygen is necessary to life. Let’s see why trees are called the lungs of the nature.

Let’s see why trees are called the lungs of the nature. Trees are termed as the lungs of nature. For example, when we breathe our lungs are the main source to do this job. This maintains our system of body. Likewise these trees are the lungs of nature and environment which are helpful in maintaining the system of nature. This purifies the air we breathe in.

Beyond this respiratory role, trees also serve as essential for biodiversity. Their intricate role canopies provide for countless flora and fauna, species foresting a rich interconnecting web for life. Although trees provides us food which we need to live and it is a essential part of our daily life.

So now, when you hear anyone saying, “Trees are the lungs of nature” so do not think too much cause you already know what does it mean.

## TOPIC: A MEMORABLE DAY

It was a pleasant Saturday afternoon, my all cousins had gathered at my grandma's house. We were getting bored at home, then suddenly we decided to visit a park which was situated near our house. We asked our parents and persuaded them to take us to the park. They said, "Sure, let's go to the park. Pack your stuff and we will buy some snacks from there." We all kept our belongings that we had to take there and got ready. Then we went to the park.

The park was crowded, our parents sat on benches and we headed towards swings, slides and other swings present in the park. We all enjoyed a lot. After sometime while we all were busy chatting and having snacks, I looked at my watch to see what time was it. But to my surprise, I noticed that my watch was missing. Then I related this sad reality to everyone and they all started to find it.

During the search, my one cousin Inaya came and shouted in excitement, "I have found this, look here!" She further added, "It was lying somewhere near the swings in the sand." She gave it to me, I thanked her. The watch was not working but still I was happy and thankful to ALLAH SWT that it was found.

The watch was really precious to me as my grandmother has given it to me. Later, my father took it to a person who changed the machinery of it. Now, I have got my watch back in working condition.

This is my memorable day of life and whenever I look at it, it reminds me of the whole incident.

# Entrepreneur's Day

Students of Grade V-A and V-B hosted an event name Entrepreneurs Day under the supervision of their Social Studies teacher Miss Hira Fatima. This event took place on 8th December 2023, where they became entrepreneurs and run their own business. Students were asked to do marketing of their brand before the event. They displayed amazing posters on the soft boards of the school and they also went in different classes to have a marketing run.

On the event day students put in all their efforts to decorate their stalls and ran their own business by selling their products to the students and staff of the school.

Teachers and students of grade III and grade IV were asked to visit their stalls and buy different variety of products.

This event was planned to boost the morale of the students to utilize their business and creative skills and become future entrepreneurs.

Such Activities helps students to socialize, understand one another and work as a team.

## حضرت خالد بن ولید رضی اللہ تعالیٰ عنہ

بے حد حضرت خالد بن ولید رضی اللہ تعالیٰ عنہ جلیل القدر صحابی ہیں جن کا لقب سیف اللہ تھا۔ آپ بہادر اور دلیر تھے آپ بہترین اخلاق و کردار کے مالک تھے۔ آپ نے بہت سی جنگوں میں حصہ لیا اور فوج کی قیادت بھی کی۔ آپ کا ایک بہترین سپہ سالار اور عظیم فاتح تھے۔ آپ کے والد ولید بن مغیرہ قبیلہ قریش کے خاندان بنو مخزوم کے سربراہ تھے اور مکہ مکرمہ کے امیر ترین شخص تھے۔ آپ کو بچپن ہی سے گھڑ سواری، شمشیر زنی، نیزہ بازی کا شوق تھا۔

آغاز اسلام کے وقت آپ نے اسلام قبول نہیں کیا بلکہ آپ اسلام کے سخت مخالف تھے لیکن آپ نے کبھی نبی کریم ﷺ کو زبانی یا جسمانی تکلیف نہیں پہنچائی تھی۔ غزوہ براور احد میں آپ کفار کے ساتھ شریک تھے۔ غزوہ احد میں آپ کی حکمتِ عملی کے باعث ہی کفار کو جزوی شکست حاصل ہوئی تھی۔ حضور اکرم ﷺ کی شدید خواہش تھی کہ آپ اسلام قبول کریں۔ حضور اکرم ﷺ کے جذبات معلوم ہونے کے بعد آپ کا دل خود بخود اسلام کی جانب راغب ہو گیا اور آپ نے حضرت عمر بن العاص اور حضرت عثمان بن طلحہ کے ساتھ اسلام قبول کیا۔ قبول اسلام کے بعد آپ نے بڑے بڑے کارنامے سرانجام دیئے۔ جنگِ موتہ پر آپ کو تین سپہ سالاروں کی شہادت کے بعد سپہ سالار منتخب کیا گیا آپ کے ہاتھ پر نو تلوریں ٹوٹیں آپ نے مسلمانوں کو شکست سے دوچار ہونے سے بچا لیا۔ اسی وجہ سے آپ کو نبی کریم ﷺ نے سیف اللہ کا لقب عطا فرمایا۔ آپ نے حضرت ابو بکر صدیق کے زمانے میں اٹھنے والے جھوٹے نبیوں کا دعویٰ کرنے والوں کو قتل کیا۔ آپ کو اللہ تعالیٰ پر اتنا توکل اور پختہ یقین تھا کہ ایک دفعہ آپ نے غیر مسلموں کو مغلوب کرنے کے لیے بسم اللہ پڑھ کر زہر کا پیالہ پی لیا، جس کا آپ پر کوئی اثر نہ ہوا۔

حضرت خالد بن ولید نے 21 ہجری میں اکسٹھ سال کی عمر میں شہر حمص میں وفات پائی اور وہیں دفن کیے گئے۔ آپ کی سیرت تمام مسلمان کے لیے بہترین نمونہ ہے۔

نطالیہ مبین

## طوطے کی آپ بیتی

میرا نام مٹھو ہے۔ گھر میں مجھے سب بہت پیار کرتے ہیں۔ میں ہرے رنگ کا ہوں۔ میری چونچ جس کی مدد سے میں دانہ چگتا ہوں وہ نہایت خوب صورت سُرخ رنگ کی ہے۔ میری گردن میں ایک کنٹھا ہے جو میری خوب صورتی میں اضافہ کرتا ہے اور میرے پنکھ جن سے مجھے محبت ہے وہ بھی بہت ہی پیارے ہیں۔ میرے مالک میرا بہت خیال رکھتے ہیں اور مجھے اچھی اچھی باتیں بولنا بھی سکھاتے ہیں۔

جس گھر میں، میں رہتا ہوں وہاں علی میرا بہت اچھا دوست ہے۔ وہ مجھے وقت پر مجھے کھانا دیتا ہے اور میرے پنجرے کی صفائی ستھرائی کا بھی خیال رکھتا ہے، اور تو اور اس نے میرے پنجرے کو سجایا ہوا بھی ہے۔ یہ سجاوٹ مجھے بہت بھاتی ہے۔ علی مجھ سے اپنے فارغ وقت میں کھیلتا بھی ہے اور ڈھیر ساری باتیں بھی کرتا ہے۔ علی نے ہی مجھے بولنا سکھایا ہے۔ جب میں علی کی بات دہراتا ہوں تو علی خوشی سے جھوم کر سب کو بتاتا ہے کہ میں نے اس سے اتنے سارے الفاظ سیکھ لیے ہیں۔ میں بھی علی کے ساتھ سکون اور خوشی محسوس کرتا ہوں۔ بس ایک بات کا دکھ ہے کہ میں ہر وقت قید رہتا ہوں اور علی کو ڈر ہے کہ اگر کبھی اس نے مجھے غلطی سے کھلا چھوڑ دیا تو میں اڑنا جاؤں۔ مجھے بھی سب کی طرح آزادی بہت پسند ہے۔ مجھے اپنے دوست یاد آتے ہیں ان سے ملنے کا دل چاہتا ہے۔ میرا دل چاہتا ہے کہ میں بھی اپنے ساتھیوں کے ساتھ ہواؤں میں گھوموں اور اڑ سکوں۔ میرا دل چاہتا ہے کہ میں اپنا دانہ دکان خود تلاش کروں اور اپنا من پسند کھانا کھاؤں۔

ایک پرندہ ہونے کی حیثیت سے میری آپ لوگوں سے گزارش ہے کہ بے شک آپ سب ہمارا بہت خیال رکھتے ہیں لیکن ہمارے بھی کچھ جذبات ہیں ہمارا بھی دل چاہتا ہے کہ ہم آزاد ہوں اور اپنی مرضی سے زندگی گزاریں، تو براہ مہربانی ہمیں قید نہ کریں اس طرح ہم بہت ادا اس ہو جاتے ہیں۔ میں تمام انسانوں کا شکر یہ بھی ادا کروں گا کہ وہ قید میں ہمارا خیال رکھتے ہیں۔

# 14TH AUGUST INDEPENDENCE DAY

14th August'1947 is the golden day in the history when Pakistan got freed from the rule of Britishers. It is the blessing of Almighty ALLAH and the result of tough effort and sacrifices made by many noticeable leaders and Muslims.

This year UPSS 20 also celebrated Independence Day with great passion and enthusiasm. Students showed zest, dedication and love for their mother land by participating in: Speeches (Urdu and English) and National Songs, and some participated in the quiz related to "Pakistan".

Our chief guest Director of Usman Public School System also joined us in this event and made it more memorable. Special duas and prayers were made in the end of the function for the prosperity, success and safety of Pakistan. Sweets were distributed among the students and staff.

We pray to Almighty ALLAH that May our beloved Pakistan Live Long and be saved from the wickedness of the rivals and opponents. (Aameen)

Ms. Fatima Tariq

# Defence Day (6th September)

Pakistan's Defence Day is celebrated on September 6th every year to commemorate the successful defence of Pakistan against India's Operation Gibraltar in 1965. The day is a national holiday in Pakistan. The events of September 1965 were a watershed moment in Pakistan's history.

When the enemy threatened our survival in the 1965 war, the Pakistani people stood steadfast and resolute. To this date, every year on 6th September, Pakistan celebrates Defence Day to honour Pakistan's successful defence against India, which marked the end of the 1965 war.

Captain Raja Muhammad Sarwar Bhatti was a Pakistani military officer who was cited as the first recipient of Pakistan's highest military award, Nishan-i-Haider.

In Usman Public School System celebrated 6th September with great enthusiasm. On that day students presented national songs and delivered speeches. Principal and teachers explained the children about the martyrs of Defence Day. May Allah (S.W.T) to make our beloved country Pakistan the cradle of peace and tranquility and protect it from the evil eye of the enemy. Aameen

Miss Humaira Naz  
(Jinnah House)

## رحمت اللعالمین صلی اللہ علیہ وسلم

محبت حضرت محمد مصطفیٰ ﷺ عین ایمان ہے۔ قرآن کریم کی متعدد آیات اور احادیث مبارکہ سے اطاعت و اسوۂ رسول ﷺ کی اہمیت و فضیلت معلوم ہوتی ہے۔ ارشاد بانی ہے: ”فرمادے دیجیے، اگر تم اللہ سے محبت کرتے ہو تو میری پیروی کرو، اللہ تم سے محبت کری گا اور تمہارے گناہوں کو بخشے گا۔“ (آل عمران)۔ متعدد احادیث میں رسول اللہ ﷺ کی محبت کو ایمان کا لازمی جزو قرار دیا گیا ہے۔ بخاری و مسلم کی مشہور حدیث ہے: ”تم میں سے کوئی بھی ایمان میں اس وقت تک کامل نہیں ہو سکتا جب تک کہ میری محبت اسکے دل میں اسکے باپ، بیٹے اور تمام انسانوں سے بڑھ کر نہ ہو جائے۔“

طالبات کے دلوں میں حب رسول ﷺ بیدار کرنے کے لیے ہر سال حضور اکرم ﷺ کے اخلاق، احادیث اور فضائل سے متعلق مختلف پروگرام مرتب کیے جاتے ہیں، لہذا اس سال بھی اس سلسلے میں نبی آخر زماں ﷺ کی عادات، شخصیت اور اسلامی تعلیمات سے روشناس کروانے کے لیے ہماری شاخ ۲۰ میں مقابلہ نعت خوانی، سیرہ کوڑا اور نبی کریم ﷺ کی سیرت پر تقاریر کروائی گئیں تاکہ طالبات آپ ﷺ کی زندگی سے رہنمائی حاصل کریں اور آپ ﷺ کی بتائی گئی تعلیمات سے استفادہ حاصل کر سکیں۔

## عشرہ اقبال

علامہ اقبال کی شاعری اپنی روحانی گہرائی اور قومی موضوعات کی وجہ سے پہچانی جاتی ہے۔ ان کی شاعری میں اسلامی فکر کی گہرائیوں سے جڑی ہوئی ہے۔ ان کی شاعری میں خود آگاہی اور خود کی دریافت کا رنگ موجود ہے۔ علامہ اقبال کی شاعری میں پیغام، دعوتِ فکر و عمل کے ساتھ ساتھ زبان و بیان کا حسن اور طرزِ ادا کی دلکشی دکھائی دیتی ہے۔ علامہ اقبال کے لیے کیا خوب بات کہی گئی ہے کہ

قلم اٹھتا ہے تو سوچیں بدل جاتی ہیں  
اک شخص کی محنت سے ملتیں تشکیل پاتی ہیں  
کیا خوب تھا وہ شخص جس نے دنیا کو بتایا  
کس طرح غور و فکر سے بے نام قوم نام پا جاتی ہیں

اقبال چوں کہ نوجوانوں کو قوم کا بیش قیمتی سرمایہ تصور کرتے تھے اور تعلیم کے شعبے میں قوم کو سب سے آگے دیکھنا چاہتے تھے۔ اس لیے اس بات کو مد نظر رکھتے ہوئے علامہ اقبال کو مختلف طریقوں سے خراجِ تحسین پیش کرنا عثمان پبلک اسکول سسٹم کی روایات میں شامل رہا ہے۔ علامہ اقبال کی کاوشوں کو سراہنے کے لیے کیسپس ۲۰ میں عشرہ اقبال کا انعقاد کیا گیا جس کا عنوان علامہ اقبال کے ایک شعر کا مصرعہ تھا ”گر گھس کا جہاں اور ہے شاہیں کا جہاں اور“۔ عشرہ اقبال میں طالبات نے مختلف مقابلوں میں حصہ لیا اور اپنے الفاظ و جذبات کے ذریعہ علامہ اقبال سے عقیدت و محبت کا اظہار کیا۔ اس سلسلے میں تقریری مقابلے، بیت بازی، علامہ اقبال کا انٹرویو، منظر کشی اور بیاض اقبال کی تیاری کروائی گئی ان تمام سرگرمیوں میں طالبات نے بے حد خوش و خروش کے ساتھ حصہ لیا۔ نیز اساتذہ کی سطح پر بھی علامہ اقبال کے مختلف اشعار کی منظر کشی کا مقابلہ اور بیت بازی کروائی گئی، جس میں اساتذہ نے بھرپور صلاحیتوں کا مظاہرہ کیا۔ اس طرح عشرہ اقبال کچھ اچھی یادوں کے ساتھ اختتام پذیر ہوا جس میں طالبات کو یہ بات سمجھنے کا موقع ملا کہ وہ اپنے اندر خود اعتمادی پیدا کریں گی اور اپنے سماج سے ہر قسم کی برائی کو ختم کر کے ایک مثالی معاشرہ قائم کرنے کی کوشش کریں گی جس میں امن، سلامتی، برداشت رواداری اور اخوت، سخاوت اور محبت جیسی خوبیاں موجود ہوں۔
