QURANIC VERSE ABOUT LEADERSHIP

O YE WHO BELIEVE! OBEY ALLAH, AND OBEY THE MESSENGER, AND THOSE CHARGED WITH AUTHORITY AMONG YOU. IF YE DIFFER IN ANYTHING AMONG YOURSELVES, REFER IT TO ALLAH AND HIS MESSENGER, IF YE DO BELIEVE IN ALLAH AND THE LAST DAY: THAT IS BEST, AND MOST SUITABLE FOR FINAL DETERMINATION

SUNNAH IS MY WAY

(-SAHIH BUKHARI)

Muhammad Ali Jinnah

You will have to make up for the smallness of your size by your courage and selfless devotion to duty, for it is not life that matters, but the courage, fortitude and determination you bring to it.

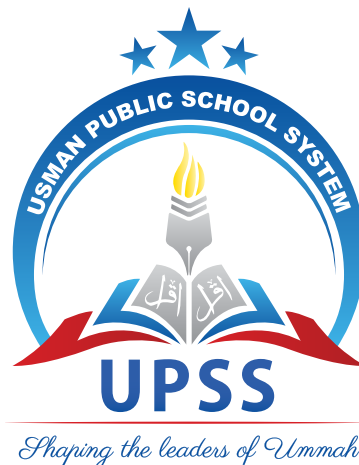

Principal's Desk

As we embark on a new session filled with possibilities, I am thrilled to reflect on the many achievements and milestones that our students have accomplished. From academic successes to creative endeavors, each accomplishment represents the dedication and hard work of our entire campus community. Our life is a journey. We learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time also ensure competent and constant growth of the students. Problems exist in everyone's life but we frequently remind the students not to be afraid of failure but strive hard to achieve success for excellence and good leadership. As we move ahead, I encourage every parent to continue embracing our values of excellence, admiration, and collaboration. Let's give our children every opportunity to learn, grow and support one another.

SCHOOL EVENTS

Our school calendar was full of different activities and programs. In each month, special activities and events were arranged to make students feel relaxed and happy along with their tough academic schedule. Some glimpses of overall events are as follows

INDEPENDENCE DAY

14th August is indeed a very special day for Pakistanis. It marks the day when our ancestors' dreams and sacrifices finally bore fruit, and we got a free country where Muslims could live and worship freely. It's a day to remember and honor all those who gave their lives and made countless sacrifices for the sake of this country.

On 14th August 2023 Usman Public School System celebrated Independence Day. This celebration of Independence Day holds great significance. We celebrate our love for our country by singing patriotic songs. Through these songs, we are reminded of the passion, pride, and patriotism that run through our veins, and the sacrifices that our ancestors made for us to have a free and independent homeland. It is always a beautiful sight to see the students singing and waving flags on this special day, and it inspires us to continue to work towards a brighter future for our nation.

EID MILAN PARTY

Eid is a religious festival which Muslims all over the world celebrate. It marks the end of the holy month of Ramadan. The Eid Milan party is an occasion that all children await eagerly. Eid symbolizes happiness, friendship giving, and sharing. In May 2023 our Usman Public School System arranged Eid Milan party for the enjoyment, entertainment and for spending time together after a long weekend with our friends and teachers. Everyone joined by wearing the Eid dresses, greetings and wishing their teachers and friends. All students ate, played and had lot of fun together.

BOOK FAIR

**"Books give a soul to the universe,
wings to the mind, flight to the
imagination and life to everything."**

Books are referred to as a man's best friend. They are very beneficial for mankind and have helped it evolve. There is a power house of information and knowledge. Books have a deep impact on us and are responsible for uplifting our mood. This is why we suggest children to read books from an early age to gain knowledge. In August 2023 Usman Public School System arrange a Book Fair. This was an awaited event and every child was excited for it. There were a lot of books full of knowledge with affordable prices. This event was held in our school to help kids develop basic language skills and profoundly expand their vocabularies—much more than any other media. All children attended this event happily.

TRIP TO FARMHOUSE

On September 28th, 2023, our school organized an excursion for students from classes IV to X at Ideal Farmhouse. It was scheduled to start at 8 am and end at 4 pm. The purpose of the trip was to provide students with a refreshing break, enabling them to create pleasant memories and enjoy the blessings of Allah. Overall, students had a fantastic time and created some wonderful memories with friends and teachers. We reached there at 9 am. The children were given two hours for swimming. We enjoyed it so much. We were very tired after coming out of the pool. Now, it was time for Salah. Prayers were also organized there. After Salah we had delicious food for lunch. We enjoyed ourselves very much and returned home in the evening. That day of our picnic ends with pleasure which is a relief in a student's busy life.

DEFENCE DAY

Defence Day is celebrated on 6th September every year in the memory of those who embraced martyrdom in the Indo-Pakistan war of 1965. On 6th September 2023 Usman Public School System also celebrated this event with great devotion. This day is celebrated in our school to make students learn about the dignity and patriotic spirit and to realize them that the responsibility doesn't only fall on uniformed personnel but on them as well. Students wore uniforms representing the armed forces of Pakistan, sang patriotic national songs, and performed tableaux. Students presented a short skit enlightening the courageous acts and sacrifices of our brave soldiers in the Indo-Pak War of 1965. School Choir also paid tribute to their Heroes of Armed Forces by singing some melodious patriotic songs. The program ended up with the National Anthem.

STUDENT'S ELECTION DAY

I remember the Election Day in our school that was held on 13th September 2023 from 8 am to 11: 30 am. It was really interesting and I felt like it was a great way to teach us how to vote for the right candidate in our future. It was organized to nominate captains and vice-captains of each house from Class VIII and Class VII, respectively. All the students of their respective houses were given the opportunity to cast their votes and choose the most deserving candidates to lead their houses. It turned out to be an enjoyable and fascinating day. We all had a lot of fun on that day, and it was a great learning experience for all of us.

KASHMIR SOLIDARITY DAY

Kashmir Solidarity Day or Kashmir Day is celebrated in Pakistan on 5th February. Every year we celebrate this day to reinforce and show support for Kashmiri people and their freedom. Kashmir Solidarity Day was also celebrated in our school community to show our support and unity with the people of occupied Jammu and Kashmir. On this day, the students were told about Kashmir and its importance by the teachers. Quid-e-Azam Muhammad Ali Jinnah declared Kashmir as "Life Line of Pakistan." On this day, the students recited the passionate song which awakened the spirit of love and solidarity for Kashmir in our hearts. The students also delivered enthusiastic speeches. At last, special prayers were offered for the freedom of Kashmiris.

“On Earth, there is no heaven, but there are pieces of it, and Kashmir is one of them”.

HAYA DAY

Haya takes huge role in the lives of Muslims because; it is very important part of one's Eman. For anyone who doesn't have any form of Haya it stated one's Eman is very weak. Narrated by Abu Huraira (RA) the Prophet (SAW) said:

"Faith consist of more than sixty branches and Haya is a part of faith"

Some people have the misconception that Haya is just for women and can be easily achieved by wearing a hijab, but it is not. Men and women both are required to follow this teaching and it is not easily attained.

FAREWELL 2024

Every student who begins school life must end it one day.

"Nothing can be replace the incredible memories we made in school”.

17th February, 2024 was an unforgettable and memorable day for all of us, it was our farewell. We arrived at school at 8:00 am. As per tradition, this function was organized by the school staff and students of class IX. All the arrangements were made by the students of class IX as hosts. Before farewell we also gave invitation cards to the class X. The venue of farewell was our school ground. As we entered, we all were amazed. The ground was decorated very beautifully. When all students of class X arrived the school, they all entered in the set up together, class IX welcomed them with a heartwarming poem. We gave cards and key chains to the students of class X. They gave beautiful speeches and also recited a tremendous poem for their teachers and students of class IX. That day was the happiest as well as the most sorrowful for class X. Then our Principal also gave a speech and some advices for future. Miss Afifa ended up with Dua.

On that day we spent the most impressionable period of our lives.

A Soldier's life is very hard
They save lives and make it a life part
They give their lives
Just to let us live
But we do not care about them
If they are not what will happen then

It is a simple thing
But it is very hard
To give life of ours

Until now, he did not accepted Islam. When the battle of Uhud was fought he was against the Muslims.

Khalid Bin Waleed very lately accepted Islam. He then fought 115 Battles and remained undefeated. He was considered as the greatest Military of all the time.

HIS WAR STRATEGIES ARE TAUGHT IN MANY UNIVERSITIES AND ADOPTED BY SOME GREAT ARMIES OF TODAY.

NUSAYBAH BINT KA'AB (UMM'AMARAH)

INTRODUCTION:

Nusaybah Bint Ka'ab Al-Maaziniyah, more commonly known as Umm'Ammarah, was from Banu Najjar in Al-Madinah during the time of Prophet Hood and she was from the Ansar. She was one of two women and among the seventy-four people who went to Makkah and pledge allegiance to the Prophet of Allah (P.B.U.H) at the second pledge of Al-Aqabah. From the time of her acceptance of Islam, she began to teach and spread the religion of Islam, as she was learned Qur'an and Al-Hadith. She was a mother of four; two sons from her first marriage (with Zaid Ibn Asim Mazni) and another son and daughter from her second marriage (with Amr).

STRUGGLES OF UMM'AMARAH:

She was renowned for her courageous exploits in the battlefields. She was a faithful and loyal wife, and a loving mother, also remarkable for her patience and forbearance. Umm'Ammarah took part in the second Bait-ul-Aqabah the battle of Uhud, the battle of Hunain, the war of Yamamah and the treaty of Hudaibiya.

Abdullah Bin Umm'Amarah relates how during the battle of Uhud the enemy made a forceful thrust against them. The Mujahedeen scattered before them and he and his mother moved closed to the Prophet to defend him from all quarters. After that the Prophet looked pleased, and then He noticed that Umm'Amarah was bleeding from the shoulder; He asked Abdullah to bandage his mother's wound and said that: "They were a truly great family".

During his caliphate, Abu Bakr Siddique sent the army to test the challenge of the army of Musalamah. Umm'Amarah was also in the army. She was about sixty years old at the time, and her son Abdullah Bin Zaid was also with her; he was one of those who finally killed this man. During this battle her arm was cut off and she sustained twelve major wounds; the deepest one, the one her shoulder being inflicted by a disbelievers by a disbeliever named Ibn Qumaih.

It was so deep that she fainted; and it took a year for it to heal when she regained consciousness her first question was about the wellbeing of the Prophet rather than about her own sons or husband, when she learned that He was fine, she thanked Allah. Umm'Amarah requested Prophet (SAW) to pray that they should have the good fortune to be with him in Paradise. The Prophet (SAW) said:

“O Allah! Make this family my friend in Paradise”.

WORLD DEPENDS ON MUSLIM COUNTRIES FOR OIL

The oil is found underground in the crude form. It is refined to separate petrol, kerosene oil, Vaseline and tar. All oil exporting countries are united and made an organization OPEC (Organization of Petroleum Exporting Countries). This organization is used to export oil and earn for their livelihood. They spend their oil income on public welfare and education. Petroleum exporting countries has great influence on world as they are in majority therefore they can influence the policies of this organization. Muslim World owns about 75% of the total global oil reserves of the world. Saudi Arabia with about 18% of global reserve tops in the Muslim World followed by Iran (9%), Iraq (8.5%), Kuwait 6 (%), UAE (5.9% , Libya (2.8%) and Nigeria (2.2%). Thus the Muslim countries has great influence over the world economy.

Respected Editor,

Through your newspaper I want to draw attention of the concerned authorities towards the problem of beggary .Usually the number of beggars in the city is not less but it increases on the occasion of Eid .These Beggars sometime force the people to give them alms. They are found everywhere in the city; in markets, bus stops, mosques etc. They are black mark of our society.

The government should provide them with jobs so that they could earn their livelihood in a respectable manner.

Yours sincerely

درخت کے فائدے

درخت سے ہمیں لکڑی ملتی ہے، لکڑی سے فرنیچر بنتا ہے۔ درخت سے ہمیں آکسیجن ملتی ہے۔ درخت سے ہمیں پھل اور سبزیاں بھی ملتی ہیں۔ درخت سے ہم ربر حاصل کرتے ہیں۔ درخت پر پرندے اپنا گھونسلہ بناتے ہیں۔ درخت سے کاغذ بنتا ہے۔ درخت کی لکڑی سے ہم میز، کرسیاں، پینسل بناتے ہیں۔ درخت ہمیں سخت گرمی میں سایہ دیتا ہے۔ درخت بہت فائدہ مند نعمت ہے۔

تعلیم کے متعلق علامہ اقبال کا اظہار رائے

علامہ اقبال نے اپنی تحریروں، خطابات اور شاعری کے ذریعے مسلمانوں میں علم کے حصول کی تحریک بیدار کی۔ اُن میں علم حاصل کرنے کا جذبہ پیدا کیا۔ علامہ اقبال کے علم حاصل کرنے کے مختلف زاویوں اور اندازِ تعلیم کو بھی پیش کیا۔ علم حاصل کرنا بلاشبہ ہر ایک کے لیے ضروری ہے۔ علم حاصل کرنے کی کوئی آخری عمر نہیں ہے۔ انسان آخری دم تک طفلِ مکتب ہوتا ہے اگرچہ وہ دنیا کے کسی بھی عہدے پر فائز رہ چکا ہو۔ بڑی بڑی ڈگریاں حاصل کرنے کے بعد بھی علم کا راستہ مسدود نہیں ہوتا۔ علم ایک بحرِ بے کراں ہے۔ اس کی کوئی انتہا نہیں ہے۔ یہ ایک سازش تھی کہ ایسا نصابِ تعلیم مدون کیا جائے کہ مسلمان اگر عیسائی نہ ہو تو وہ پکا مسلمان بھی نہ رہے۔ علامہ اقبال کا یہ خیال حقیقت بن کر دنیا کے سامنے آیا اور سب نے دیکھا کہ موجودہ نظامِ تعلیم اسلامی اصولوں اور اسلامی اقدار کے خلاف ہے۔ اس کا نتیجہ یہ نکل رہا ہے کہ طفلِ مکتب اخلاقِ پیہری سے دُور ہے اور وہ اسلاف کے طرزِ زندگی کو قدامت پسند کہنے پر مصر ہے۔ علامہ اقبال نے اپنے دور میں اس بات کو بخوبی جان لیا تھا کہ انگریز کی ہر ممکن کوشش تھی دلِ مسلم کو محبتِ رسول ﷺ سے خالی کر دیا جائے۔ علامہ اقبال نے ایک مصرعے میں انگریزوں کی اس ناپاک جسارت کی نشاندہی کی روحِ محمد اس کے بدن سے نکال دو۔ یعنی جو مسلمان اپنے آقا محمد ﷺ سے محبت کرتا ہے اور اپنے طور طریقوں کو ان کے قلب میں ڈھالتا ہے تو تعلیم کے ذریعے اس کے ذہن میں ایسے شکوک و شبہات پیدا کیے جائیں کہ اس کے دل سے آقا ﷺ کی محبت ختم ہو جائے اور دین سے بریگانہ ہو جائے۔

ضرورت اس امر کی ہے کہ علامہ اقبال کے تصورِ تعلیم جو دینی فطرت سے رغبت رکھتا ہے اس کے مطابق تعلیم عام کی جائے تاکہ مسلمانوں کو اپنی گمشدہ میراث واپس مل جائے۔ علم کی بدولت قوموں نے عُروج پایا۔ علم نے آدمیت کو انسانیت کے رنگ میں ڈھالا اور نہ آدمی کھانے پینے اور اپنی نفسانی خواہشات کی تکمیل کو اپنا عُروج سمجھتا تھا۔ زندگی گزارنے کا مقصد نفسانی خواہشات کی تکمیل کے سوا کچھ نہ تھا۔ انسان تہذیب و ثقافت سے عاری تھا۔ نیکی اور بدی کی تمیز سے نابلد تھا۔ علم نے تہذیب سکھائی۔ اچھائی اور بُرائی کی تمیز سکھائی۔ علم کا مقصد سمجھ بوجھ اور فہم و فراست میں پاکی حاصل کرنا ہے۔ علامہ اقبال کہتے ہیں:

"علم کا مقصد ہے پاکی عقل و خرد"

بے شک دُنیا کی ترقی کا دار و مدار علم پر ہے۔ علم ہی دُنیا اور آخرت میں عزت کا باعث بنتا ہے۔ اس لیے مسلمان جب تک علم سے وابستہ رہے۔ دُنیا میں نمایاں رہے۔ ایجادات میں پیش پیش رہے۔ تسخیرِ کائنات میں آگے رہے، نمایاں کامیابیاں حاصل کیں۔ لیکن جب مسلمانوں نے علم کے دامن سے اپنے آپ کو آزاد کیا اور میدانِ علم سے بھاگے تو ہر میدان میں پسپا ہوئے۔ اسی بات پر حیرت اور افسوس کرتے ہوئے علامہ اقبال نے اپنی شاعری میں اظہار کیا:

حیرت ہے کہ تعلیم و ترقی میں ہے پیچھے

جس قوم کا آغاز ہی اقراء سے ہوا تھا

علامہ اقبال نے اس بات کی جانب توجہ مبذول کروائی کہ اللہ تعالیٰ نے اپنے پیارے حبیب ﷺ پر وحی کا نزول اقراء سے کیا تھا یعنی پڑھیے۔ لہذا پڑھنا لکھنا تو مسلمان کی گھٹی میں پڑا ہوا ہونا چاہیے۔ علامہ اقبال نے بچوں کے لیے جو نظمیں لکھیں اُن میں آداب و اخلاق کے ساتھ علم کی طرف بھی راغب کیا ہے۔ علامہ اقبال نے بچوں میں ابتداء ہی سے علم کے حصول کا جذبہ بیدار کرنے کی کوشش کی۔ علامہ اقبال نے اپنی مشہور دعائیہ نظم "لب پہ آتی ہے دعابن کے تمنا میری" میں علم کے متعلق ایک دعا لکھتے ہیں:

علم کی شمع سے ہو مجھ کو محبت یاد

مہنگائی

آج کے زمانے میں کوئی نہیں جو بڑھتی ہوئی مہنگائی سے پریشان نہ ہو۔ ویسے تو مہنگائی بین الاقوامی مسئلہ ہے۔ دنیا بھر کے مختلف ممالک میں ضروریات زندگی کی چیزوں کی قیمتوں میں روز بروز اضافہ ہو رہا ہے۔ بہر حال ان مسائل کو دور کرنے کے لئے ملک کو بڑی بڑی آزمائشیں دینی پڑیں اور جی توڑ کر کوششیں کرنا پڑیں۔

دوسری طرف ملک کی آبادی بھی غیر معمولی رفتار سے بڑھتی گئی اور ملک کی خوشحالی کے راستے میں رکاوٹ کا سبب بن کر سامنے آکھڑی ہوئی اور ستم بالائے ستم یہ کی اسی دوران ملک کو کئی بدیشی طاقتوں سے جنگ کرنے پر مجبور ہونا پڑا۔ مہنگائی روکنے کے لئے حکومت کو اپنے تمام وسائل اور قوت سے کام لینا چاہئے اور بے ایمانی کرنے والوں کو عبرت ناک سزائیں دینی چاہئے۔ کیونکہ اگر جلد ہی مؤثر اقدامات نہیں کیے گئے تو یہ مسئلہ اتنا بڑھ جائے گا کہ اس پر قابو پانا ممکن ہو جائے گا۔

حجاب دشمنان اسلام کا کفن

پردے پہ عمل، رافعِ اشرار و قتن ہے
کردار کی آنکھوں میں یہ غیرت کی کرن ہے
پردے کو فقط عزتِ نسواں نہ سمجھیے
یہ دشمنِ اسلام کے خوابوں کا کفن ہے
ناپاک ہوس کے لیے بنتا ہے رکاوٹ
بدکاروں کو اس واسطے پردے سے جلن ہے
اے پردہ نشیں دُخترِ دین! تجھ کو سلامی
یہ رنگِ حیا، تیشہ الحادِ شکن ہے
پردے کے لیے تُو نے جو آواز اٹھائی
باطل کے سیاہ خانوں میں یہ حق کی کرن ہے
ملت ہے ترے جراتِ اظہار پہ نازاں
گفتار کے اس رنگ سے اعجازِ سخن ہے
اے کاش ہر اک طبقہ نسواں کو ہو معلوم
یہ شرم و حجاب اور حیا، زیورِ زن ہے
ہر چشمِ حیا دار کو حاصل ہے یہ اعزاز
راضی ہیں نبی، فضلِ خدا سا یہ فگن ہے
غیروں کی جفا سہ لی، کسی طور فریدی
اپنوں کی خاموشی پہ بہت رنج و صحن ہے

اطالیہ میں ایسا کوئی سرکاری قانون نہیں جس کی رو سے برقعے پر پابندی لگائی جائے۔ تاہم ملک میں 1970 میں اطالوی مخالف دہشتگردی قانون کا مقصد سیاسی کارکنوں پر گرفت رکھنا ہے۔ اس کی رو سے عوامی جگہوں پر چہرے کو ڈھانکنا غیر قانونی ہے۔

کچھ اطالوی علاقہ جات ذیلی قوانین متعارف کر چکے ہیں جو اسلامی حجاب کو عوامی جگہوں پر پہننے کی اجازت نہیں دیتے۔ اس کے علاوہ مخالف تارکین وطن نادرین لیگ کے کچھ میسر اسلامی طرز کی تیراکی کی پوشاکوں پر پابندی عائد کر چکے ہیں جو جسم کو مکمل چھپاتے ہیں۔ 2010 میں شمالی اطالیہ کے شہر نووارا میں ایک مسلمان عورت کو حجاب پہننے کی وجہ سے 500 یورو کا جرمانہ دینا پڑا تھا۔

اسلام اور یورپ میں فرق

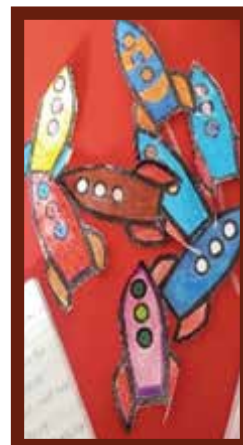

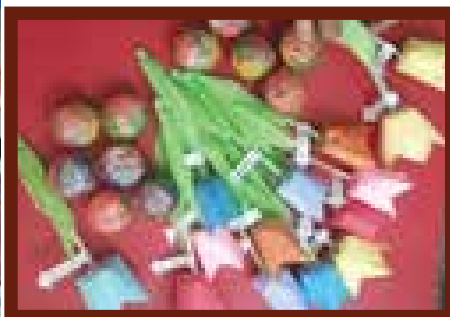

اپنی ملت پر قیاس اقوام مغرب سے نہ کر
خاص ہے ترکیب میں قوم رسول ہاشمی
ان کی ملت کا ہے ملک و ملت پر انحصار
قوت مذہب سے مستحکم ہے تیری جمعیت

اسلام کی قومیت کی تشکیل کی دو بنیادیں ہیں۔ پہلا مذہب ہی نظریہ دوسرا اسلامی نظریہ۔ مغربی نظریہ رنگ و نسل، خاندان اور جغرافیائی حدود پر مشتمل ہوتا ہے اور اس کی بنیاد یہ ہے کہ قوم وطن سے بنتی ہے۔ اسلامی نظریہ حضرت محمد ﷺ کا قائم کردہ نظریہ ہے جس کی بنیاد یہ ہے کہ تمام مسلمان ایک قوم ہیں خواہ وہ امیر ہوں یا غریب، عربی ہو یا عجمی، کالا ہو یا گورا، اگر وہ اللہ اور اس کے آخری رسول ﷺ پر ایمان لاتے ہیں تو وہ مسلمان ہیں۔ مغربی نظریہ کی وجہ سے دنیا پستی کی جانب بڑھ رہی ہے۔ ایک ملک دوسرے ملک کا دشمن ہو گیا ہے جس کی وجہ سے جنگ چھڑ جاتی ہے اور اس کے نتیجے میں طاقت ور قوم کمزور قوم پر قابض ہو کر اس کو اپنا غلام بنا لیتی ہے۔ اس کے برعکس اسلامی نظریہ ہمیں اتحاد و بھائی چارہ کا پیغام دیتا ہے۔ اس کو نافذ کرنے کے نتیجے میں دنیا بھر میں امن و سلامتی قائم ہوتی ہے۔

WOMEN EMPOWERMENT

“You educate a man you educate a man, you educate a woman you educate a generation The prevailing idea of a women’s place in Islam is that woman are deprived of freedom and equality. This is the result of either ignorance about Islam and anti-Islamic ideology. Before the advent of Islam in Arabia, girls were often killed as soon as they were born, the infants girls are buried alive. Islam liberated woman in all respects. The provision of empowerment of woman in Islam are freedom, equality, security, dignity and economic power Thus Islam gives dignity, respect, protection, and an appropriate place in this world to woman.

NATURE

Sun shines birds sing
Joy in every little thing
Life shines full of glee
Tree sway birds lay
Nature's beauty on display
Sun shines and flowers play
In nature flowers bloom
No room for gloom

We have strayed away from God, and
He is in quest of us; Like us, He is
humble and is a prisoner of desire: He is
hidden in every atom, and yet is a
stranger to us: He is revealed in the
moonlight, and in the embrace of
houses.
